As representatives of the several Underwriters

Dear Sirs:

1. *Introductory.* Corporate Office Properties Trust, a Maryland real estate investment trust (“**Company**”), proposes to issue and sell to the several Underwriters named on Schedule I hereto (the “**Underwriters**”) 6,500,000 (“**Firm Securities**”) of its common shares of beneficial interest (the “**Common Shares**”), and also proposes to issue and sell to the Underwriters, at the option of the Underwriters, an aggregate of not more than 975,000 additional Common Shares (“**Optional Securities**”) as set forth below. The Firm Securities and the Optional Securities are herein collectively called the “**Offered Securities**.” Merrill Lynch, Pierce, Fenner & Smith Incorporated and J.P. Morgan Securities LLC have agreed to act as representatives of the several Underwriters (in such capacity, the “**Representatives**”) in connection with the offering and sale of the Offered Securities. The terms Representatives and Underwriters shall mean either the singular or plural as the context requires. The Company and Corporate Office Properties, L.P., a Delaware limited partnership (“**Operating Partnership**”), hereby agree with the Underwriters as follows:

2. *Representations and Warranties of the Company and the Operating Partnership.* The Company and the Operating Partnership jointly and severally represent and warrant to, and agree with, the Underwriters that:

(a) A registration statement (No. 333-158324) relating to the Offered Securities being sold by the Company, including a base prospectus, has been filed with the Securities and Exchange Commission (the “**Commission**”) under the Securities Act of 1933, as amended (“**Act**”) and such registration statement (“**registration statement**”) has been declared effective. For purposes of this Agreement, “**Effective Time**” means the date and time as of which the registration statement was declared effective by the Commission. “**Effective Date**” with respect to the registration statement means the date of the Effective Time thereof. The registration statement, as amended at its Effective Time, including all material incorporated by reference therein, pursuant to the General Instructions of the Form on which it is filed and including all information (if any) deemed to be a part of the registration statement as of its Effective Time pursuant to Rule 430B (“**Rule 430B**”) under the Act, is hereinafter referred to as a “**Registration**”

1

Statement. Any Registration Statement filed by the Company pursuant to Rule 462(b) of the Act is hereinafter called the “Rule 462(b) Registration Statement” and from and after the date and time of filing the Rule 462(b) Registration Statement, the term “Registration Statement” shall include the Rule 462(b) Registration Statement. The base prospectus, together with the final prospectus supplement setting forth the final terms of the offering, sale and plan of distribution of the Offered Securities, as filed with the Commission pursuant to and in accordance with Rule 430B and Rule 424(b) (“**Rule 424(b)**”) under the Act and as included in the Registration Statement, including all material incorporated by reference in such prospectus, are hereinafter referred to as the “**Prospectus**.” The prospectus subject to completion in the form included in the Registration Statement at the time of the initial filing of such Registration Statement with the Commission and as such prospectus is amended or supplemented pursuant to a preliminary prospectus supplement filed with the Commission pursuant to and in accordance with Rule 424(b) and Rule 430B from time to time until the date of the Prospectus is referred to in this Agreement as the “**Preliminary Prospectus**.” For purposes of this Agreement, “**free writing prospectus**” has the meaning ascribed to it in Rule 405 under the Act, and “**Issuer Free Writing Prospectus**” shall mean each free writing prospectus prepared by or on behalf of the Company or used or referred to by the Company in connection with the offering of the Securities. “**Time of Sale Information**” shall mean the Preliminary Prospectus together with the information listed in Schedule II hereto and the free writing prospectuses, if any, each identified in Schedule III hereto. All references in this Agreement to the Registration Statement, a Preliminary Prospectus, the Prospectus or the Time of Sale Information, or any amendments or supplements to any of the foregoing, shall be deemed to refer to and include any documents included therein or deemed to be incorporated by reference therein, and shall include any copy thereof filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval System (“**EDGAR**”). The Company meets the requirements for the use of Form S-3 under the Act and the Registration Statement meets the requirements of, and complies in all material respects with, Rule 415(a)(1)(x) under the Act.

All references in this Agreement to financial statements and schedules and other information which is “contained,” “included” or “stated” in the Registration Statement, any Preliminary Prospectus or the Prospectus (or other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which is incorporated by reference in or otherwise deemed by the rules and regulations of the Commission under the Act (the “**Rules and Regulations**”) to be a part of or included in the Registration Statement, any Preliminary Prospectus or the Prospectus, as the case may be; and all references in this Agreement to amendments or supplements to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to mean and include the filing of any document under the Securities Exchange Act of 1934, as amended (the “**1934 Act**”) or the rules and regulations of the Commission under the 1934 Act (the “**1934 Act Regulations**”) which is incorporated by reference in or otherwise deemed by the Rules and Regulations to be a part of or included in the Registration Statement, such Preliminary Prospectus or the Prospectus, as the case may be.

(b) On the Effective Date of the Registration Statement, at the effective time of any amendment to the Registration Statement, and at the time the most recent Annual Report on Form 10-K was filed, and at each deemed effective date (the “**deemed effective date**”) with respect to the Underwriters pursuant to Rule 430(B)(f)(2) under the Act, the Registration Statement (and with respect to each deemed effective date, the part of the Registration Statement relating to the Offered Securities) complied as to form in all material respects to the requirements of the Act and the Rules and Regulations and did not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the

2

statements therein not misleading. At the time of filing of each of the Preliminary Prospectus and the Prospectus pursuant to Rule 424(b) and at the First Closing Date (as hereinafter defined), each of the Preliminary Prospectus and the Prospectus will comply as to form, in all material respects, to the requirements of the Act and the Rules and Regulations, and will not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances in which they were made. The Time of Sale Information does not, and will not at the time of sale of the Offered Securities and at the First Closing Date (as hereinafter defined), contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Registration Statement, the Preliminary Prospectus, the Prospectus or the Time of Sale Information based upon written information furnished to the Company by the Underwriters specifically for use therein, it being understood and agreed that the only such information is that described as such in Section 7(b) hereof. Each Preliminary Prospectus, the Prospectus and Issuer Free Writing Prospectus delivered to the Underwriters for use in connection with this offering was identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(c) Each Issuer Free Writing Prospectus conformed or will conform in all material respects to the requirements of the Act and the Rules and Regulations on the date of first use, and the Company has complied with all prospectus delivery and any filing requirements applicable to such Issuer Free Writing Prospectus pursuant to the Act and the Rules and Regulations. Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Common Shares or until any earlier date that the Company notified or notifies the Underwriters, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement, the Preliminary Prospectus or the Prospectus, including any document incorporated by reference therein and any preliminary or other prospectus supplement deemed to be a part thereof that has not been superseded or modified. The Company has not made any offer relating to the Offered Securities that would constitute an Issuer Free Writing Prospectus without the prior written consent of the Representatives. The Company has retained in accordance with the Act all Issuer Free Writing Prospectuses that were not required to be filed pursuant to the Act. The Company has taken all actions necessary so that any “road show” (as defined in Rule 433) in connection with the offering of the Offered Securities will not be required to be filed pursuant to the Act.

(d) The Company was not at the time of initial filing of the Registration Statement and at the earliest time thereafter that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the Act) of the Common Shares, is not on the date hereof and will not be on the applicable Closing Date (as defined below) an “ineligible issuer” (as defined in Rule 405).

(e) The Prospectus shall incorporate by reference the most recent Annual Report of the Company and the Operating Partnership on Form 10-K filed with the Commission, each Quarterly Report of the Company and the Operating Partnership on Form 10-Q and each Current Report of the Company and the Operating Partnership on Form 8-K filed with the Commission since the filing of the Annual Report. The documents incorporated or deemed to be incorporated by reference in the Registration Statement, the Prospectus and the Time of Sale Information, at the time they were or hereafter are filed with the Commission, complied and shall comply in all material respects with the requirements of the 1934 Act and the 1934 Act Regulations and, when

3

read together with the other information in the Prospectus and the Time of Sale Information, at (a) the time the Registration Statement became effective, (b) the earlier of the time the Prospectus was first used and the date and time (the “**Applicable Time**”) of the first contract of sale of Offered Securities in this offering, and (c) the Closing Date, did not and shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(f) The Registration Statement is not the subject of a pending proceeding or examination under Section 8(d) or 8(e) of the Act, and the Operating Partnership is not the subject of a pending proceeding under Section 8A of the Act in connection with the offering of the Offered Securities.

(g) No stop order suspending the effectiveness of the Registration Statement or any part thereof has been issued and, to the knowledge of the Company, no proceeding for that purpose has been instituted or threatened by the Commission or by the state securities authority of any jurisdiction. No order preventing or suspending the use of the Preliminary Prospectus or the Prospectus has been issued and, to the knowledge of the Company, no proceeding for that purpose has been instituted or threatened by the Commission or by the state securities authority of any jurisdiction.

(h) The Company has been duly organized and is an existing real estate investment trust in good standing under the laws of the State of Maryland, with power and authority as a real estate investment trust to own its properties and conduct its business as described in the Prospectus and the Time of Sale Information; and the Company is duly qualified to do business as a foreign corporation in good standing in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have a material adverse effect on (i) the condition (financial or other), business, properties, prospects, net worth or results of operations of the Company and its Subsidiaries (as hereinafter defined) taken as a whole, (ii) the issuance or validity of the Offered Securities or (iii) the consummation of any of the transactions contemplated by this Agreement to be performed by the Company and/or the Subsidiaries (individually or collectively, a “**Material Adverse Effect**”).

(i) Each subsidiary of the Company is listed on Schedule IV hereto (each, a “**Subsidiary**” and collectively the “**Subsidiaries**”) and has been duly organized and is validly existing as a corporation, limited partnership or other legal entity, as the case may be, in good standing under the laws of its respective jurisdiction of incorporation or formation, with power and authority (corporate and other) to own its properties and conduct its business as described in the Prospectus and the Time of Sale Information; and each Subsidiary is duly qualified to do business as a foreign corporation, limited partnership or other legal entity, as the case may be, in good standing in all other jurisdictions in which such Subsidiary’s ownership or lease of property or the conduct of such Subsidiary’s business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have a Material Adverse Effect. The issued and outstanding common and preferred units of limited partnership interest in the Operating Partnership (“**Units**”) and other equity interests, as the case may be, of each of the other Subsidiaries have been duly authorized and validly issued, are, with respect to corporate Subsidiaries, fully paid and nonassessable and, except as otherwise set forth in the Prospectus and the Time of Sale Information or reflected in the financial statements contained in, or incorporated by reference in, the Prospectus and the Time of Sale Information, are owned beneficially by the Company, directly or indirectly through one or more Subsidiaries, free and clear of any security

4

interests, liens, encumbrances, equities or claims, except for security interests, liens, encumbrances, equities or claims pursuant to the terms of a bona fide financing transaction.

(j) Complete and correct copies of the declaration of trust and of the bylaws of the Company, the certificate of limited partnership and agreement of limited partnership of the Operating Partnership and the charter documents, partnership agreements and other organizational documents of the other Subsidiaries, as applicable, and all amendments thereto as have been requested by the Underwriters or their counsel have been delivered to the Underwriters or their counsel. As of the Closing Date (as hereinafter defined), the partnership agreement of the Operating Partnership, as amended, will have been duly authorized, executed and delivered by the Company, as the general partner and as a limited partner and (assuming it has been duly authorized, executed and delivered by each of the other parties thereto, and

is a legal, valid and binding agreement of each such other party) in full force and effect, subject to (i) the effect of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other similar laws now or hereafter in effect relating to or affecting the rights and remedies of creditors, (ii) the effect of general principles of equity, whether enforcement is considered in a proceeding in equity or at law, and the discretion of the court before which any proceeding therefor may be brought and (iii) the provisions of the Delaware Revised Uniform Limited Partnership Act.

(k) The Company has an authorized, issued and outstanding capitalization as set forth in the Prospectus and the Time of Sale Information. All of the issued and outstanding shares of beneficial interest of the Company have been duly authorized and validly issued and are fully paid and nonassessable. The Offered Securities have been duly authorized and, when the Offered Securities have been delivered and paid for in accordance with this Agreement on each Closing Date (as hereinafter defined), such Offered Securities will have been validly issued, fully paid and nonassessable and will conform to the description thereof contained in the Registration Statement, the Prospectus and the Time of Sale Information and at the First Closing Date (as hereinafter defined) and Optional Closing Date (as hereinafter defined), such description will be, complete and accurate in all material respects; the shareholders of the Company have no preemptive rights with respect to the Offered Securities; and, no holder of securities of the Company has any right which has not been fully exercised or waived to require the Company to register the offer or sale of any securities owned by such holder under the Act in the public offering contemplated by this Agreement. The descriptions of the Company's stock option, stock bonus and other stock plans or arrangements, and the options or other rights granted thereunder, set forth or incorporated by reference in the Time of Sale Information and the Prospectus accurately and fairly present the information required to be shown with respect to such plans, arrangements, options and rights.

(l) Except for the Company Registration Rights Agreements (as defined below), there are no contracts, agreements or understandings between the Company and any person granting such person the right to require the Company to file a registration statement under the Act with respect to any securities of the Company owned or to be owned by such person or to require the Company to include such securities in the Registration Statement or in any other registration statement filed by the Company under the Act. Any notices required to be given under the Company Registration Rights Agreements were given and no person with rights thereunder, has exercised any such rights. The "Company Registration Rights Agreements" shall mean, collectively: (i) the Amended and Restated Registration Rights Agreement, dated March 16, 1998, of Corporate Office Properties Trust for the benefit of Holders of the Partnership Units and Preferred Units of Corporate Office Properties, L.P. and Holders of Common Shares of Beneficial Interest of Corporate Office Properties Trust; (ii) the Registration Rights Agreement, dated January 25, 2001, of Corporate Office Properties Trust for the benefit of Barony Trust

5

Limited; (iii) the Registration Rights Agreement, dated September 18, 2006, of Corporate Office Properties, L.P. and Corporate Office Properties Trust for the benefit of Holders of the 3.50% Exchangeable Senior Notes Due 2026 of Corporate Office Properties, L.P.; and (iv) the Registration Rights Agreement, dated April 7, 2010, of Corporate Office Properties, L.P. and Corporate Office Properties Trust for the benefit of the holders of the 4.25% Exchangeable Senior Notes Due 2030 of Corporate Office Properties, L.P.

(m) Except as disclosed in the Time of Sale Information and the Prospectus or as provided in this Agreement, or not disclosed because not material, the Company and its Subsidiaries do not have outstanding, and at the First Closing Date and Optional Closing Date will not have outstanding (A) securities or obligations of the Company or any of its Subsidiaries convertible into or exchangeable for any shares of beneficial interest of the Company or other equity interests of any such Subsidiary, (B) warrants, rights or options to subscribe for or purchase from the Company or any such Subsidiary any such shares of beneficial interest or equity interests or any such convertible or exchangeable securities or obligations (except for options issued subsequent to December 31, 2003 under the Company's established stock option plans), or (C) obligations of the Company or any such Subsidiary to issue any shares of beneficial interest or equity interests, any such convertible or exchangeable securities or obligations, or any such warrants, rights or options. The form of share certificates to be used to evidence the Common Shares will be in due and proper form and will comply, in all material respects, with all applicable legal requirements. Other than shares of beneficial interest of the Company issuable (i) upon exercise of share options pursuant to the Company's stock-based plans for its employees and trustees, (ii) upon the redemption of Units or (iii) upon the exchange of notes issued by the Operating Partnership, no shares of beneficial interest of the Company are reserved for any purpose, except as disclosed in the Prospectus and the Time of Sale Information.

(n) The execution, delivery and performance of this Agreement by the Company and the Operating Partnership, the issuance, offering and sale of the Offered Securities to the Underwriters by the Company pursuant to this Agreement, the compliance by the Company and the Operating Partnership with the other provisions of this Agreement and the consummation of the other transactions herein contemplated to be performed by the Company and the Operating Partnership do not (i) require any material governmental license, permit, consent, approval, authorization or other order of, registration, filing or qualification with, any court or governmental body or agency (except such as have been obtained or may be required under the Act and the 1934 Act, securities, blue sky or real estate syndication laws of the various states, the bylaws and rules of the Financial Industry Regulatory Authority, Inc. ("FINRA") or the requirements of the New York Stock Exchange, Inc. ("NYSE")), (ii) result in the creation or imposition of any lien, charge or encumbrance upon any of the assets or properties of the Company or any of the Subsidiaries pursuant to the terms or provisions of, or conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under (whether with or without the giving of notice or passage of time or both, would constitute a default under any of the foregoing), or give any other party a right to terminate any of its obligations under, or result in the acceleration of any obligation under, the charter, declaration of trust, bylaws, partnership agreement or other organizational document of the Company or any of the Subsidiaries or in the performance or observance of any obligation, covenant, agreement or condition contained in any indenture, loan agreement, mortgage, bond, debenture, note agreement, joint venture or partnership agreement, lease or other agreement or instrument that is material to the Company and the Subsidiaries, taken as a whole, to which the Company or any of the Subsidiaries is a party or by which the Company or any of the Subsidiaries or their respective property is bound or, (iii) violate or conflict with any applicable law or any rule, regulation, judgment, order, statute, administrative regulation or decree of any court or any governmental

6

body or agency (foreign or domestic) having jurisdiction over the Company, any of the Subsidiaries or their respective property, in each case (other than with respect to breaches or violations of the terms of the charter, declaration of trust, bylaws, partnership agreement or other organizational document of the Company or any of the Subsidiaries) except for requirements, liens, charges, encumbrances, breaches, violations, defaults, rights to terminate or accelerate obligations, or conflicts, the imposition or occurrence of which would not have a Material Adverse Effect.

(o) Each of the Company and the Operating Partnership has full trust or partnership power, as the case may be, to enter into this Agreement, and to carry out all of the terms and provisions hereof to be carried out by them. This Agreement has been duly and validly authorized, executed and delivered by each of the Company and the Operating Partnership, and constitutes a valid and binding agreement of each of the Company and the Operating Partnership, and assuming due authorization, execution and delivery by the Underwriters, is enforceable against the Company and the Operating Partnership, in accordance with the terms hereof subject to (i) the effect of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other similar laws now or hereafter in effect relating to or affecting the rights and remedies of creditors and (ii) the effect of general principles of equity, whether enforcement is considered in a proceeding in equity or at law, and the discretion of the court before which any proceeding therefor may be brought.

(p) When the Offered Securities are delivered and paid for pursuant to this Agreement on each Closing Date, the Company and each of its Subsidiaries will have good and marketable title in fee simple to all items of real property and valid title to all personal property and assets owned by each of them, in each case free and clear of any security interests, liens, encumbrances, equities, claims and other defects, except such as where the failure to have such title would not result in a Material Adverse Effect or materially and adversely affect the value of such property or materially interfere with the use made or proposed to be made of such property by the Company or such Subsidiary (except in each case liens securing indebtedness of the Company or its Subsidiaries as reflected in its financial statements included

in the Prospectus, the Registration Statement and the Time of Sale Information or mortgage indebtedness incurred by the Company or its Subsidiaries in the ordinary course of its business), and any real property and buildings held under lease by the Company or any such Subsidiary will be held under valid, subsisting and enforceable leases, except where the invalidity, non-subsistence or non-enforceability would not result in a Material Adverse Effect or materially interfere with the use made or proposed to be made of such property and buildings by the Company or such Subsidiary, in each case except as described in or contemplated by the Prospectus and the Time of Sale Information. To the knowledge of the Company and the Operating Partnership, except as disclosed in the Prospectus and the Time of Sale Information: (i) no lessee of any portion of the properties is in material default under any of the leases governing such properties and there is no event which, but for the passage of time or the giving of notice, or both, would constitute a default under any of such leases, except in each case such defaults that would not have a Material Adverse Effect; (ii) the current use and occupancy of each of the properties complies in all material respects with all applicable codes and zoning laws and regulations, except for such failures to comply which would not individually or in the aggregate have a Material Adverse Effect; and (iii) there is no pending or threatened condemnation, zoning change, environmental or other proceeding or action that will in any material respect affect the size of, use of, improvements on, construction on, or access to the properties except such proceedings or actions that would not have a Material Adverse Effect.

7

(q) The Company and its Subsidiaries possess adequate certificates, authorities, consents, authorizations or permits issued by appropriate governmental agencies or bodies necessary to conduct the business now operated by them, have complied, in all material respects, with the laws, regulations and orders known by them to be applicable to them or their respective businesses and properties and have not received any notice of proceedings relating to the revocation or modification of any such certificate, authority, consents, authorizations or permit that, if determined adversely to the Company or any of its Subsidiaries, would individually or in the aggregate have a Material Adverse Effect.

(r) No labor dispute with the employees of the Company or any Subsidiary exists or, to the knowledge of the Company is threatened or imminent that might have a Material Adverse Effect.

(s) The Company and its Subsidiaries own, possess, license or can acquire on reasonable terms, adequate trademarks, trade names, licenses, and other rights to inventions, know-how, patents, copyrights, confidential or proprietary information and other intellectual property (collectively, “**intellectual property rights**”) necessary to conduct the business now operated by them, or presently employed by them, and have not received any notice of infringement or conflict with asserted rights of others with respect to any intellectual property rights that, if determined adversely to the Company or any of its Subsidiaries, would individually or in the aggregate have a Material Adverse Effect.

(t) Except for activities, conditions, circumstances or matters that would not have a Material Adverse Effect, (A) to the knowledge of the Company, after due inquiry, neither the Company nor any of the Subsidiaries has violated (i) any foreign, federal, state or local law or regulation relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants (“**Environmental Laws**”) (and the Company and the Subsidiaries are in compliance with all requirements of applicable permits, licenses, approvals or other Authorizations issued pursuant to Environmental Laws), (ii) any provisions of the Employee Retirement Income Security Act of 1974, as amended or (iii) any provisions of the Foreign Corrupt Practices Act, or the rules and regulations promulgated thereunder; (B) to the knowledge of the Company, after due inquiry, none of the Company or the Subsidiaries has caused or suffered to occur any Release (as hereinafter defined) of any Hazardous Substance (as hereinafter defined) into the Environment (as hereinafter defined) on, in, under or from any property, and no condition exists on, in, under or adjacent to any property that would reasonably be expected to result in the incurrence of liabilities under, or any violations of, any Environmental Law or give rise to the imposition of any Lien (as hereinafter defined), under any Environmental Law; (C) none of the Company or the Subsidiaries has received any written notice of a material claim under or pursuant to any Environmental Law or under common law pertaining to Hazardous Substances on, in, under or originating from any property; (D) none of the Company or any of the Subsidiaries has actual knowledge of, or received any written notice from any Governmental Authority (as hereinafter defined) claiming, any material violation of any Environmental Law or a determination to undertake and/or request the investigation, remediation, clean-up or removal of any Hazardous Substance released into the Environment on, in, under or from any property; and (E) no property now or heretofore owned or leased by the Company or any of the Subsidiaries is included or, to the knowledge of the Company and the Subsidiaries, after due inquiry, proposed for inclusion on, and no property operated by the Company or any of the Subsidiaries, to the knowledge of the Company and the Subsidiaries, is included or proposed for inclusion on, the National Priorities List issued pursuant to CERCLA (as hereinafter defined) by the United States Environmental Protection Agency (the “**EPA**”), or included on the Comprehensive Environmental Response, Compensation, and Liability Information System

8

database maintained by the EPA, and none of the Company and the Subsidiaries has actual knowledge that any property has otherwise been identified in a published writing by the EPA as a potential CERCLA removal, remedial or response site or, to the knowledge of the Company and the Subsidiaries, is included on any similar list of potentially contaminated sites pursuant to any other Environmental Law.

As used herein, “**Hazardous Substance**” shall include any hazardous substance, hazardous waste, toxic substance, pollutant or hazardous material, including, without limitation, oil, petroleum or any petroleum-derived substance or waste, asbestos or asbestos-containing materials, PCBs, pesticides, explosives, radioactive materials, dioxins, urea formaldehyde insulation or any constituent of any such substance, pollutant or waste which is subject to regulation under any Environmental Law (including, without limitation, materials listed in the United States Department of Transportation Optional Hazardous Material Table, 49 C.F.R. § 172.101, or in the EPA’s List of Hazardous Substances and Reportable Quantities, 40 C.F.R. (aa) The Company has not, directly or indirectly, (i) taken any action designed to cause or to result in, or that has constituted or which might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Offered Securities or (ii) since the filing of the Registration Statement (A) sold, bid for, purchased, or paid anyone any compensation for soliciting purchases of, the Offered

Securities or (B) paid or agreed to pay to any person any compensation for soliciting another to purchase any other securities of the Company.

(ee) No Subsidiary of the Company is currently prohibited, directly or indirectly, from paying any dividends to the Company, from making any other distribution on the equity interest in such Subsidiary held by the Company, from repaying to the Company any loans or advances to such Subsidiary from the Company or from transferring any of such Subsidiary's property or assets to the Company or any other Subsidiary of the Company, except as described in or contemplated by the Prospectus and the Time of Sale Information or pursuant to the terms of its outstanding securities or a bona fide financing transaction.

(ff) The Company and each of its Subsidiaries has filed all foreign, federal, state and local income tax returns that are required to be filed or has requested extensions thereof (except in any case in which the failure so to file would not have a Material Adverse Effect) and has paid all taxes required to be paid by it and any other assessment, fine or penalty levied against it, to the extent that any of the foregoing is due and payable, except for any such tax, assessment, fine or penalty that is currently being contested in good faith or as described in or contemplated by the Prospectus and the Time of Sale Information or which would not result in a Material Adverse Effect.

(gg) Commencing with the Company's taxable year ended December 31, 1992, the Company was organized and has operated in conformity with the requirements for qualification and taxation as a real estate investment trust ("REIT") under Sections 856 through 860 of the Internal Revenue Code of 1986, as amended (the "Code"), and its proposed method of operations will enable it to continue to meet the requirements for qualification and taxation as a REIT. All

statements in the Prospectus regarding the Company's qualification as a REIT are true, complete and correct in all material respects.

(hh) Except for the shares of capital stock or other equity interests of each of the Subsidiaries owned by the Company and such Subsidiaries, neither the Company nor any such Subsidiary owns any shares of stock or any other equity securities of any corporation or has any equity interest in any firm, partnership, association or other entity, except as described in or contemplated by the Prospectus and the Time of Sale Information.

(jj) Neither the Company nor any of the Subsidiaries is (i) in breach or violation of its respective declaration of trust, charter, bylaws, partnership agreement or other organizational document, as the case may be, (ii) in default in the performance of any obligation, agreement, covenant or condition contained in any indenture, loan agreement, mortgage, bond, debenture, note agreement, joint venture or partnership agreement, lease or other agreement or instrument that is material to the Company and the Subsidiaries, taken as a whole, and to which the Company or any of the Subsidiaries is a party or by which the Company or any of the Subsidiaries or their respective property is bound (and there is no event which, whether with or without the giving of notice, or passage of time or both, would constitute a default under any of foregoing), where such default would have a Material Adverse Effect, or (iii) in violation of any statute, law, rule, regulation, judgment, order or decree of any court, regulatory body, administrative agency, government body, arbitrator or other authority having jurisdiction over the Company or such Subsidiary or any of its properties, as applicable, where such violation would have a Material Adverse Effect.

(kk) Since January 1, 1998, the Company has timely filed all documents required to be filed by it under the 1934 Act.

(ll) No relationship, direct or indirect, exists between or among the Company or the Subsidiaries on the one hand, and the trustees, directors, officers, shareholders, customers or suppliers of the Company or the Subsidiaries on the other hand, which is required by the Act or the rules of the FINRA to be described in the Registration Statement, the Time of Sale Information and the Prospectus which is not so described.

(mm) There are no contracts, agreements, letters of intent, understandings or any other documents relating to the pending acquisition of any real property by the Company or the Operating Partnership that are required to be disclosed in the Prospectus and that are not so disclosed.

12

(oo) There are no material business relationships or related party transactions involving the Company or any Subsidiary or any other person that are required by the Act or the rules of the FINRA to be described in the Time of Sale Information or the Prospectus and that are not so described in the Time of Sale Information or the Prospectus.

3. *Purchase, Sale and Delivery of Offered Securities.* On the basis of the representations, warranties and agreements herein contained, but subject to the terms and conditions herein set forth, the Company agrees to sell to the Underwriters, and the Underwriters agree, severally and not jointly, to purchase from the Company, at a purchase price of \$32.88 per share, the respective numbers of shares of Firm Securities set forth opposite their names in Schedule I hereto.

The Company will deliver the Firm Securities, with transfer taxes thereon duly paid, to the Representatives in book entry form through the facilities of The Depository Trust Company ("**DTC**") for the account of the Underwriters against payment of the purchase price in Federal (same day) funds by wire transfer to an account of the Company at Wachovia Bank in Baltimore, Maryland, in connection with the closing of such transactions, at the office of Morgan, Lewis & Bockius LLP, Philadelphia, Pennsylvania, at 11:00 A.M., New York time, on November 5, 2010, or at such other time not later than seven full business days thereafter as the Representatives and the Company determine, such time being herein referred to as the "**First Closing Date**." For purposes of Rule 15c6-1 under the 1934 Act, the First

13

Closing Date (if later than the otherwise applicable settlement date) shall be the settlement date for payment of funds and delivery of securities for all the Offered Securities sold pursuant to the offering. As used herein, "**business day**" means a day on which the NYSE is open for trading and on which banks in New York are open for business and are not permitted by law or executive order to be closed.

In addition, upon written notice from the Representatives given to the Company from time to time (but on not more than two separate occasions) not more than 30 days subsequent to the date of the Prospectus (or, if such 30th day shall be a Saturday or Sunday or a holiday, on the next business day), the Underwriters may purchase all or less than all of the Optional Securities at the per share purchase price (including any accumulated dividends thereon to the related Optional Closing Date (as hereinafter defined) to be paid for the Firm Securities; provided that the purchase price for any Optional Securities shall be reduced by an amount per share equal to any dividends or distributions declared by the Company and payable on the Firm Securities but not payable on such Optional Securities. The Underwriters shall not be under any obligation to purchase any of the Optional Securities prior to the exercise of such option. If any Optional Securities are to be purchased, each Underwriter, severally and not jointly, agrees to purchase the number of Optional Securities (subject to such adjustments as the Underwriters may determine to avoid fractional shares) that bears the same proportion to the total number of Optional Securities to be purchased by the Underwriters as the number of Securities set forth opposite the name of such Underwriter in Schedule I hereto bears to the total number of Securities. Such Optional Securities shall be purchased for the account of the Underwriters and may be purchased by the Underwriters only for the

purpose of covering sales by the Underwriters which exceed the total number of Firm Securities set forth in Schedule I hereto. No Optional Securities shall be sold or delivered unless the Firm Securities previously have been, or simultaneously are, sold and delivered. The right to purchase the Optional Securities or any portion thereof may be exercised from time to time and to the extent not previously exercised may be surrendered and terminated at any time upon notice by the Representatives to the Company.

Each time for the delivery of and payment for the Optional Securities, being herein referred to as an **“Optional Closing Date,”** which may be the First Closing Date (the First Closing Date and each Optional Closing Date, if any, being sometimes referred to as a **“Closing Date”**), shall be determined by the Representatives but shall be not later than five (5) full business days after written notice of election to purchase Optional Securities is given. The Company will deliver the Optional Securities being purchased, with transfer taxes thereon duly paid, to the Underwriters in book entry form through the facilities of the DTC on each Optional Closing Date for the account of the Representatives against payment of the purchase price in federal (same day) funds by wire transfer to an account of the Company, in connection with the closing of the transactions, at the above office. Prior to each Optional Closing Date, the Company will also deliver the form of fully registered global certificate that will be deposited with DTC for the Optional Securities that the Underwriters have agreed to purchase hereunder.

4. *Offering by Underwriters.* It is understood that the Underwriters propose to offer the Offered Securities for sale to the public as set forth in the Prospectus.

5. *Certain Agreements of the Company and the Operating Partnership.* The Company and the Operating Partnership agree with the several Underwriters that:

(a) The Company will file the final Prospectus with the Commission pursuant to and in accordance with subparagraph (5) of Rule 424(b) as soon as practicable after the date of this Agreement. The Company will advise the Underwriters promptly of any such filing pursuant to Rule 424(b). The Company will file any Issuer Free Writing Prospectus to the extent required by Rule 433 of the Act.

14

(b) The Company will advise the Underwriters promptly of any proposal to amend or supplement the Registration Statement as filed or the related Preliminary Prospectus or Prospectus and will not effect such amendment or supplementation without the Underwriters’ consent which shall not be unreasonably withheld. The Company will prepare and file with the Commission, in accordance with the rules and regulations of the Commission, promptly upon request by the Underwriters or counsel for the Underwriters, any amendments to the Registration Statement or amendments or supplements to the Preliminary Prospectus or Prospectus that may be necessary or advisable in connection with the distribution of the Offered Securities by the Underwriters, and will use its best efforts to cause any such amendment to the Registration Statement to be declared effective by the Commission as promptly as possible. The Company will also advise the Underwriters promptly of the effectiveness of the Registration Statement (if its Effective Time is subsequent to the execution and delivery of this Agreement) and of any amendment or supplementation of the Registration Statement or the Preliminary Prospectus or the Prospectus and of the institution by the Commission of any stop order proceedings in respect of the Registration Statement and of the suspension of the qualification of the Offered Securities for offering or sale in any jurisdiction and will use its best efforts to prevent the issuance of any such stop order and to obtain as soon as possible its lifting, if issued.

(c) The Company will advise the Underwriters, promptly after receiving notice or obtaining knowledge thereof and, if requested by the Underwriters, to confirm such advice in writing, of (i) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or any Registration Statement filed under Rule 462(b) (**“Rule 462(b)”**) under the Act or any post-effective amendment thereto or any order directed at any document incorporated by reference in the Registration Statement or the Preliminary Prospectus or the Prospectus or any amendment or supplement thereto or any order preventing or suspending the use of any Prospectus or any amendment or supplement thereto, (ii) the suspension of the qualification of the Offered Securities for offering or sale in any jurisdiction, (iii) the institution, threatening or contemplation of any proceeding for any such purpose, (iv) the effectiveness of any amendment to the Registration Statement or any Rule 462(b) Registration Statement, the transmittal to the Commission for filing of any Prospectus or other supplement or amendment thereto to be filed pursuant to the Act, any request made by the Commission for amending the Registration Statement or any Rule 462(b) Registration Statement, for amending or supplementing any preliminary prospectus or the Prospectus or for additional information or (v) the happening of any event during the period referred to in Section 5(d) below which makes any statement of a material fact made in the Registration Statement, Preliminary Prospectus, Prospectus or Time of Sale Information untrue or which requires any additions to or changes in the foregoing in order to make the statements therein not misleading. The Company will use its best efforts to prevent the issuance of any such stop order and, if any such stop order is issued, to obtain the withdrawal or lifting thereof as promptly as possible.

(d) At any time when a prospectus relating to the Offered Securities is (or but for the exemption in Rule 172 would be) required to be delivered under the Act in connection with sales by the Underwriters or dealer, the Company (i) will comply with all requirements imposed upon it by the Act and the 1934 Act to the extent necessary to permit the continuance of sales of or dealings in the Offered Securities in accordance with the provisions hereof and of the Prospectus, as then amended or supplemented, (ii) will not file with the Commission the Preliminary Prospectus or the Prospectus, any amendment or supplement thereto or any amendment to the Registration Statement or any Rule 462(b) Registration Statement of which the Underwriters shall not previously have been advised and furnished with a copy for a reasonable period of time prior to the proposed filing and as to which filing the Underwriters shall not have given their consent which shall not be unreasonably withheld, and (iii) if any event occurs as a result of which the

15

Preliminary Prospectus, Prospectus or Time of Sale Information as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary at any time to amend the Preliminary Prospectus or Prospectus to comply with the Act, will promptly notify the Underwriters of such event and will promptly prepare and file with the Commission, at its own expense, an amendment or supplement which will correct such statement or omission or an amendment which will effect such compliance. Neither the Underwriters’ consent to, nor the Underwriters’ delivery of, any such amendment or supplement shall constitute a waiver of any of the conditions set forth in Section 6.

(e) As soon as practicable, but not later than the Availability Date (as hereinafter defined), the Company will make generally available to its securityholders an earnings statement covering a period of at least 12 months beginning after the Effective Date of the Registration Statement which will satisfy the provisions of Section 11(a) of the Act. For the purpose of the preceding sentence, **“Availability Date”** means the 45th day after the end of the fourth fiscal quarter following the fiscal quarter that includes such Effective Date, except that, if such fourth fiscal quarter is the last quarter of the Company’s fiscal year, **“Availability Date”** means the 90th day after the end of such fourth fiscal quarter.

(f) The Company will furnish, without charge, to the Underwriters copies of each the Preliminary Prospectus and Prospectus included in the Registration Statement, and, so long as a prospectus relating to the Offered Securities is (or but for the exemption in Rule 172 would be) required to be delivered under the Act in connection with sales by the Underwriters or dealer, the Prospectus and all amendments and supplements to such documents (in each case including exhibits thereto), in each case in such quantities as the Underwriters request. Unless otherwise agreed to by the Company and the Underwriters, the Preliminary Prospectus and the Prospectus shall be so furnished on or prior to 3:00 P.M., New York time, on the second business day following the later of the execution and delivery of this Agreement or the Effective Time of the Registration Statement. All other documents shall be so furnished as soon as available. The Company will pay the expenses of printing and distributing to the Underwriters all such documents.

(g) The Company will arrange for the registration or qualification of the Offered Securities for offering and sale under the applicable state securities or blue sky laws and real estate syndication laws of such jurisdictions as the Underwriters designate and will continue such registration or qualifications in effect for as

long as may be necessary to complete the distribution of the Offered Securities and to file such consents to service of process or other documents as may be necessary in order to effect such registration or qualification; provided, however, that in connection therewith the Company shall not be required to qualify as a foreign corporation or to execute a general consent to service of process in any jurisdiction.

(h) During the period of five years hereafter, upon request of the Underwriters, the Company will furnish to the Underwriters, as soon as practicable after the end of each fiscal year, a copy of its annual report to shareholders for such year; and the Company will furnish to the Underwriters (i) as soon as available, a copy of each report and any definitive proxy statement of the Company filed with the Commission under the 1934 Act or mailed to shareholders, and (ii) from time to time, such other information concerning the Company as the Underwriters may reasonably request.

16

(i) The Company will pay all costs, fees, taxes and expenses incident to the performance of its obligations under this Agreement, whether or not the transactions contemplated herein are consummated or this Agreement is terminated, including all costs, fees, taxes and expenses incident to (i) the printing, filing or other production of documents with respect to the transactions, including any costs of printing the Registration Statement originally filed with respect to the Offered Securities and any amendment thereto, any Rule 462(b) Registration Statement, the Preliminary Prospectus, the Prospectus, any Time of Sale Information and any amendment or supplement thereto, this Agreement and any blue sky memoranda, (ii) all arrangements relating to the mailing and delivery to the Underwriters of copies of the foregoing documents, (iii) the fees, expenses and disbursements of the counsel, accountants and any other experts or advisors retained by the Company, (iv) preparation, printing, issuance and delivery to the Underwriters of any certificates evidencing the Offered Securities, including transfer agent's and registrar's fees, (v) the registration or qualification of the Offered Securities under state securities and blue sky laws and the real estate syndication laws of the several states, including filing fees and fees and disbursements of counsel for the Underwriters relating thereto, (vi) the filing fees and disbursement of counsel for the Underwriters solely in connection with the review and clearance of the offering of the Offered Securities by the FINRA relating to the Offered Securities, (vii) the listing of the Offered Securities on the NYSE, (viii) meetings with prospective investors in the Offered Securities (other than shall have been specifically approved by the Underwriters to be paid for by the Underwriters), (ix) advertising approved by the Company relating to the offering of the Offered Securities (other than shall have been specifically approved by the Underwriters to be paid for by the Underwriters) and (x) any transfer taxes imposed on the sale by the Company of the Offered Securities to the Underwriters. If the sale of the Offered Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, because this Agreement is terminated or because of any failure, refusal or inability on the part of the Company or the Operating Partnership to perform all obligations and satisfy all conditions on its part to be performed or satisfied hereunder other than by reason of a default by any of the Underwriters, the Company and the Operating Partnership will reimburse the Underwriters severally upon demand for all out-of-pocket expenses that are the responsibility of the Company pursuant to this Section 5(i) and that shall have been incurred by them in connection with the proposed purchase and sale of the Offered Securities, including but not limited to fees and disbursements of counsel, printing expenses, travel expenses, postage, facsimile and telephone charges. The Company and the Operating Partnership shall not in any event be liable to the Underwriters for the loss of anticipated profits from the transactions covered by this Agreement.

(j) The Company will apply the net proceeds from the sale of the Offered Securities as set forth under "Use of Proceeds" in the Prospectus and the Time of Sale Information.

(k) The Company will not, at any time, directly or indirectly, (i) take any action designed to cause or to result in, or that has constituted or which might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Offered Securities or (ii) (A) sell, bid for, purchase, or pay anyone any compensation for soliciting purchases of, the Offered Securities or (B) pay or agree to pay to any person any compensation for soliciting another to purchase any other securities of the Company.

(l) If at any time during the period prior to the Optional Closing Date, any rumor, publication or event relating to or affecting the Company shall occur as a result of which, in the opinion of the Underwriters, the market price of the Offered Securities has been or is likely to be materially affected (regardless of whether such rumor, publication or event necessitates a

17

supplement to or amendment of the Prospectus), the Company will, after notice from the Underwriters advising the Company to the effect set forth above, forthwith prepare, consult with the Underwriters concerning the substance of, and disseminate a press release or other public statement, reasonably satisfactory to the Underwriters, responding to or commenting on such rumor, publication or event.

(m) If the Company elects to rely on Rule 462(b), the Company shall both file the Rule 462(b) Registration Statement with the Commission in compliance with Rule 462(b) and pay the applicable fees or give irrevocable instructions for the payment of such fees in accordance with Rule 111 promulgated under the Act by the earlier of (i) 10:00 A.M. Eastern time on the business day following the date of this Agreement and (ii) the time confirmations are sent or given, as specified by Rule 462(b)(2).

(n) The Company will use its best efforts to cause the Offered Securities to be duly authorized for listing by the NYSE prior to the First Closing Date and to maintain the listing of the Offered Securities on the NYSE for a period of two years after the First Closing Date and thereafter unless the Company's Board of Trustees determines that it is no longer in the best interests of the Company.

Also, if the NYSE has approved and authorized the listing of the Offered Securities as of the Closing Date, Morgan, Lewis & Bockius LLP shall confirm that the Offered Securities have been duly authorized for listing, subject to official notice of issuance, on the NYSE.

Further, Morgan, Lewis & Bockius LLP shall state that they have participated in conferences with officers and other representatives of the Company and the Operating Partnership, representatives of the Underwriters and their counsel, and representatives of the independent public accountants of the Company, at which conferences the contents of the Registration Statement, Time of Sale Information and the Prospectus were discussed. Although such counsel is not passing upon and does not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement, the Time of Sale Information and the Prospectus (except with respect to certain legal matters, as and to the extent set forth in paragraph (iv) of such counsel's opinion delivered to the Underwriters pursuant to Section 6(d) of this Agreement), on the basis of the foregoing and the information disclosed to such counsel, but without independent check and verification, and relying as to facts on representations and statements of officers and other representatives of the Company, such counsel confirms to you that no fact has come to the attention of such counsel that has led them to believe that (i) the Registration Statement, on the most recent effective date, pursuant to Rule 430B(f)

(2) promulgated under the Act, of the part of the Registration Statement relating to the Shares for purposes of the liability of the Underwriters under Section 11 of the Act, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; (ii) the Time of Sale Information, considered as a whole at the Applicable Time, together with information relating to the number of shares being offered, the pricing information and other information in the Prospectus affected by the number of shares and pricing information, contained any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading or (iii) the Prospectus, as of its date, or as of the date hereof, contained or contains any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; (it being understood that such counsel does not express any belief with respect to (a) the financial statements, schedules, notes, other financial and accounting data, or statistical data derived therefrom, contained in the Registration Statement, the Time of Sale Information or the Prospectus or (b) to any statement in a document incorporated by reference in the Registration Statement, the Preliminary Prospectus Supplement or the Prospectus, to the extent that, pursuant to Rule 412 promulgated under the Act, such statement is deemed modified or superseded in the Registration Statement, the Preliminary Prospectus Supplement or the Prospectus, as the case may be, at the respective times as of which the advisements set forth in this paragraph are provided).

In giving its opinion, such counsel shall expressly limit such opinion to matters of Federal and Pennsylvania law and the Revised Uniform Limited Partnership Act of the State of Delaware and the General Corporation Law of the State of Delaware and may rely without independent verification (A) as to all matters of fact, upon certificates and statements of officers, trustees, directors, partners and employees of and accountants for the Company and the Subsidiaries and (B) as to the good standing and qualification of the Company and the

Subsidiaries to do business in any state or jurisdiction, upon certificates of appropriate government officials or opinions of counsel in such jurisdictions. Counsel need express no opinion (i) as to enforceability or (ii) with respect to the requirements of, or compliance with, any state securities or blue sky or real estate syndication laws.

For the purposes of the opinions presented in this Section 6(d), the term “Subsidiaries” shall include only those subsidiaries that are listed on Schedule VI hereto. References to the Registration Statement and the Prospectus in this paragraph (d) shall include any amendment or supplement thereto at the date of such opinion.

In giving its opinion, such counsel may rely without independent verification (A) as to all matters of fact, upon certificates and statements of officers, trustees, directors, partners and employees of and accountants for the Company and the Subsidiaries and (B) as to the good standing and qualification of the Company and the Subsidiaries to do business in any state or jurisdiction, upon certificates of appropriate government officials or opinions of counsel in such jurisdictions. (i) All the representations and warranties of the Company in this Agreement shall be true and correct, on the First Closing Date with the same force and effect as if made on and as of the First Closing Date. The Company has complied with all agreements and all conditions on its part to be performed or satisfied hereunder at or prior to the First Closing Date.

(ii) The Registration Statement, and any Rule 462(b) Registration Statement, have become effective under the Act; the Preliminary Prospectus, the Prospectus and any Issuer Free Writing Prospectus shall have been filed with the Commission pursuant to Rule 424(b) (in the case of the Issuer Free Writing Prospectus, to the extent required under Rule 433) within the applicable time period prescribed for such filing by such Rule and prior to the time the Prospectus was distributed to the Underwriters; no stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto and no order directed at any document incorporated by reference in the Registration Statement or the Preliminary Prospectus, the Prospectus or the Time of Sale Information or any amendment or supplement thereto has been issued, and no proceedings for that purpose have been instituted or are pending before, or threatened or, to the best of the Company's knowledge, after due inquiry, are contemplated by the Commission; no stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto and no order directed at any document incorporated by reference in the Registration Statement, the Preliminary Prospectus, the Prospectus or the Time of Sale Information or any amendment or supplement thereto has been issued, and no proceedings for that purpose have been instituted or are pending before, or threatened or, to the best of the Company's knowledge, after due inquiry, are contemplated by the state securities authority of any jurisdiction; and

28

(iii) Subsequent to the respective dates as of which information is given in the Registration Statement, the Preliminary Prospectus, the Prospectus and the Time of Sale Information, other than as set forth in or contemplated by the Registration Statement, the Prospectus and the Time of Sale Information (exclusive of any amendments or supplements thereto subsequent to the date of this Agreement) and prior to the First Closing Date, except for changes of a general nature applicable to all real estate investment trusts investing in commercial office properties, (i) there has not occurred any material adverse change or, to the best knowledge of such persons, any development involving a prospective material adverse change in the condition, financial or otherwise, or the results of operations, business, prospects, management or operations of the Company and the Subsidiaries, taken as a whole, (ii) there has been no casualty loss or condemnation or other adverse event with respect to any of the properties which would be material to the Company and the Subsidiaries, taken as a whole, (iii) there has not been any material adverse change or any development involving a prospective material adverse change in the capitalization, long-term or short-term debt or in the shares of beneficial interest or equity of the Company or any of the Subsidiaries, (iv) except as described in the Preliminary Prospectus, the Prospectus or the Time of Sale Information, neither the Company nor any of the Subsidiaries has incurred any material liability or obligation, direct or contingent, which would be material, nor have they entered into any transactions, other than pursuant to this Agreement and the transactions referred to herein or as contemplated in the Preliminary Prospectus, the Prospectus and the Time of Sale Information, which would be material, to the Company and its Subsidiaries taken as a whole, and (v) except for regular quarterly distributions on the Offered Securities and other securities issued by the Company, the Company has not paid or declared and will not pay or declare any dividends or other distributions of any kind on any class of its shares of beneficial interest except in the ordinary course of business consistent with such practice.

(k) On or before the First Closing Date, the Underwriters and counsel for the Underwriters shall have received such further certificates, letters, documents, opinions or other information as they may have reasonably requested from the Company for the purpose of enabling them to pass upon the issuance and sale of the Offered Securities, as herein contemplated and related proceedings, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company in connection with the issuance and sale of the Offered Securities as herein contemplated shall be reasonably satisfactory in form and substance to the Underwriters and counsel for the Underwriters.

(l) The Offered Securities shall have been approved for listing on the NYSE, subject to official notice of issuance.

(m) At the Closing Date, the Underwriters shall have received a letter agreement from certain of the trustees and executive officers of the Company, as listed on Schedule VIII hereto, substantially in the form attached hereto as Exhibit A.

The obligation of the Underwriters to purchase and pay for any Optional Securities shall be subject, in their discretion, to each of the foregoing conditions to purchase the Firm Securities (except that all references to the Firm Securities and the First Closing Date shall be deemed to refer to such Optional Securities and the related Optional Closing Date, respectively), including, without limitation:

29

(a) A certificate, dated such Optional Closing Date, of the Chief Executive Officer, President or a Vice President and the chief financial or chief accounting officers of the Company confirming that the certificates delivered at the First Closing Date pursuant to Section 6 hereof remain true and correct in all material respects as of such Optional Closing Date.

(b) An opinion of Morgan, Lewis & Bockius LLP in form and substance satisfactory to the Underwriters and their counsel, dated such Optional Closing Date, relating to the Optional Securities to be purchased on such Optional Closing Date and otherwise to the same effect as the opinion required by Section 6(d) hereof.

(c) An opinion of Saul Ewing LLP in form and substance satisfactory to the Underwriters and their counsel, dated such Optional Closing Date, relating to the Optional Securities to be purchased on such Optional Closing Date and otherwise to the same effect as the opinion required by Section 6(e) hereof.

(d) An opinion of Karen M. Singer, Esq. in form and substance reasonably satisfactory to the Underwriters and their counsel, dated such Optional Closing Date, relating to the Optional Securities to be purchased on such Optional Closing Date and otherwise to the same effect as the opinion required by Section 6(f) hereof.

(e) An opinion of Clifford Chance US LLP, counsel for the Underwriters, dated such Optional Closing Date, relating to the Optional Securities to be purchased on such Optional Closing Date and otherwise to the same effect as the opinion required by Section 6(g) hereof.

(f) A letter from PricewaterhouseCoopers LLP, in form and substance satisfactory to the Underwriters and their counsel and dated such Optional Closing Date, substantially the same in form and substance as the letter furnished to the Underwriters pursuant to Section 6(h) hereof, dated not more than five (5) days prior to such Optional Closing Date.

7. *Indemnification and Contribution.* (a) The Company and the Operating Partnership will jointly and severally indemnify and hold harmless each Underwriter, its partners, directors and officers and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Act, against any losses, claims, damages or liabilities, joint or several, to which the Underwriters may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus, any preliminary prospectus supplement, the Preliminary Prospectus, the Registration Statement, the Prospectus, any Issuer Free Writing Prospectus (as amended or supplemented) or any other prospectus relating to the Offered Securities, or any amendment or supplement thereto (including the information deemed to be a part of the Registration Statement pursuant to Rule 434 under the Act, if applicable), or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse the Underwriters for any legal or other expenses reasonably incurred by the Underwriters in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any preliminary prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus as amended or supplemented or any other prospectus relating to the Offered Securities or any such amendment or supplement in reliance upon and in conformity with written information furnished to the Company by the Underwriters for use therein, it being understood and agreed that the only such information furnished by the Underwriters consists of the information described as such in subsection (b)

30

below by the Underwriters expressly for use in the Preliminary Prospectus, the Prospectus or the Time of Sale Information, as amended or supplemented relating to such Offered Securities.

(b) Each Underwriter, severally and not jointly, will indemnify and hold harmless the Company, its trustees and officers and each person, if any who controls the Company within the meaning of Section 15 of the Act, against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus, any preliminary prospectus supplement, the Preliminary Prospectus, the Registration Statement, the Prospectus, any Issuer Free Writing Prospectus (as amended or supplemented) or any other prospectus relating to the Offered Securities, or any amendment or supplement thereto (including the information deemed to be a part of the Registration Statement pursuant to Rule 434 under the Act, if applicable), or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in any preliminary prospectus, any preliminary prospectus supplement, the Preliminary Prospectus, the Registration Statement, the Prospectus, any Issuer Free Writing Prospectus (as amended or supplemented) or any other prospectus relating to the Offered Securities or any such amendment or supplement in reliance upon and in conformity with written information furnished to the Company by the Underwriters expressly for use therein; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as to which the Company shall be entitled to indemnification under this subsection (b) as such expenses are incurred, it being understood and agreed that the only such information furnished by the Underwriters consists of the following information in the Preliminary Prospectus, the Prospectus or the Time of Sale Information furnished by the Underwriters: the information in the first paragraph and in the first two sentences of the second paragraph under the caption “Underwriting — Price Stabilization and Short Positions.”

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under subsection (a) or (b) above, except to the extent such omission so to notify the indemnifying party materially prejudices the indemnifying party. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel (unless separate counsel is required due to conflict of interest) or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromises or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and

31

(ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 7 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Offered Securities to which such loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from such offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions from such offering received by the Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims,

damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), the Underwriters shall not be required to contribute any amount in excess of the amount by which the total price at which the Offered Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which the Underwriters have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(c) The obligations of the Company and the Operating Partnership under this Section 7 shall be in addition to any liability which the Company and the Operating Partnership may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls the Underwriters within the meaning of the Act; and the obligations of the Underwriters under this Section 7 shall be in addition to any liability which the Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer of the Company who signed the Registration Statement, trustee of the Company and to each person, if any, who controls the Company within the meaning of the Act.

8. *Defaulting Underwriters.* If any one or more of the Underwriters shall fail or refuse to purchase Firm Securities that it or they have agreed to purchase hereunder, and the aggregate number of Firm Securities that such defaulting Underwriter or Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate number of the Firm Securities, each non-defaulting Underwriter shall be obligated, severally, in the proportion in which the number of Firm Securities set

32

forth opposite its name in Schedule I hereto bears to the aggregate number of Firm Securities set forth opposite the names of all non-defaulting Underwriters or in such other proportion as you may specify in the Agreement Among Underwriters, to purchase the Firm Securities that such defaulting Underwriter or Underwriters agreed, but failed or refused to purchase. If any Underwriter or Underwriters shall fail or refuse to purchase Firm Securities and the aggregate number of Firm Securities with respect to which such default occurs is more than one-tenth of the aggregate number of Firm Securities and arrangements satisfactory to you and the Company for the purchase of such Firm Securities are not made within 48 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Company. In any such case that does not result in termination of this Agreement, either you or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven (7) days, in order that the required changes, if any, in the Registration Statement, the Prospectus and any Free Writing Prospectus or any other documents or arrangements may be effected. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any such default of any such Underwriter under this Agreement.

9. *Survival of Certain Representations and Obligations.* The respective indemnities, agreements, representations, warranties and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of the Underwriters, the Company or any of their respective representatives, officers or trustees or any controlling person, and will survive delivery of and payment for the Offered Securities. If for any reason the purchase of the Offered Securities by the Underwriters is not consummated, the Company shall remain responsible for the expenses to be paid or reimbursed by it pursuant to Section 5 and the respective obligations of the Company and the Underwriters pursuant to Section 7 shall remain in effect, and if any Offered Securities have been purchased hereunder the representations and warranties in Section 2 and all obligations under Section 5 shall also remain in effect. If the purchase of the Offered Securities by the Underwriters is not consummated for any reason, other than solely because of the occurrence of any event specified in clause (iii), (iv) or (v) of Section 6(c), the Company will reimburse the Underwriters for all out-of-pocket expenses reasonably incurred by them in connection with the offering of the Offered Securities, including but not limited to fees and disbursements of counsel, printing expenses, travel expenses, postage, facsimile and telephone charges.

10. *Notices.* All communications hereunder will be in writing and, if sent to the Underwriters, will be mailed, delivered or telegraphed and confirmed to (i) Merrill Lynch, Pierce, Fenner & Smith Incorporated, One Bryant Park, New York, New York 10036, Facsimile: (646) 855-3073 Attention: Syndicate Department, (ii) J.P. Chairman; provided, however, that any notice to the Underwriters pursuant to Section 7 will be mailed, delivered or telegraphed and confirmed to the Underwriters.

11. *Successors.* This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and trustees and controlling persons referred to in Section 7, and no other person will have any right or obligation hereunder.

12. *Absence of Fiduciary Relationship.* The Company acknowledges and agrees that:

33

(a) the Underwriters have been retained solely to act as underwriters in connection with the sale of the Offered Securities and that no fiduciary, advisory or agency relationship between the Company and the Underwriters has been created in respect of any of the transactions contemplated by this Agreement, irrespective of whether the Underwriters have advised or is advising the Company on other matters;

(b) the price of the Offered Securities set forth in this Agreement was established by the Company following discussions and arms-length negotiations with the Underwriters, and the Company is capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated by this Agreement;

(c) it has been advised that the Underwriters and their affiliates are engaged in a broad range of transactions that may involve interests that differ from those of the Company and that the Underwriters have no obligation to disclose such interests and transactions to the Company by virtue of any fiduciary, advisory or agency relationship; and

(d) it waives, to the fullest extent permitted by law, any claims it may have against the Underwriters for breach of fiduciary duty or alleged breach of fiduciary duty and agrees that the Underwriters shall have no liability (whether direct or indirect) to the Company in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of the Company, including shareholders, employees or creditors of the Company.

13. *Counterparts.* This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement.

14. *Applicable Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to principles of conflicts of laws.

The Company hereby submits to the non-exclusive jurisdiction of the Federal and state courts in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

If the foregoing is in accordance with the Underwriters' understanding of our agreement, kindly sign and return to the Company one of the counterparts hereof, whereupon it will become a binding agreement between the Company and the Underwriters in accordance with its terms.

Dear Ladies and Gentlemen:

Morgan Securities LLC (the "Underwriting Agreement").(1)

In connection with the offering of the Common Shares, you have requested our opinion regarding (a) whether the Company has been organized and has operated in conformity with the requirements for qualification and taxation as a real estate investment trust ("REIT") under the Internal Revenue Code of 1986, as amended (the "Code") for its taxable years commencing on and after January 1, 1992, and ending December 31, 2009, (b) whether the Company's current organization and method of operations will enable it to continue to meet the requirements for qualification and taxation as a REIT, and (c) whether any discussion in the Prospectus Supplement, to the extent that it constitutes matters of federal income tax law or legal conclusions relating thereto, is correct and complete in all material respects.

The opinions set forth in this letter are based on relevant provisions of the Code, Treasury Regulations thereunder and interpretations of the foregoing as expressed in court decisions and administrative determinations as of the date hereof (or, where applicable, as in effect during earlier periods in question). These provisions and interpretations are subject to changes that might result in modifications of our opinions.

(1) References to the Company shall include Corporate Office Properties Trust, Inc., a Minnesota corporation (formerly known as Royale Investments, Inc.), for periods prior to the merger of that corporation into the Maryland real estate investment trust on March 16, 1998.

For purposes of rendering the opinions contained in this letter, we have reviewed the Registration Statement, Prospectus Supplement and such other documents, law and facts as we have deemed necessary. In our review, we have assumed the genuineness of all signatures; the proper execution of all documents; the authenticity of all documents submitted to us as originals; the conformity to originals of all documents submitted to us as copies; and the authenticity of the originals of any copies.

In connection with the opinions rendered below, we have assumed, with your consent, that:

1. during its taxable year ending December 31, 2010, and future taxable years, the Company will operate in a manner that will make the factual representations contained in a certificate dated the date hereof and executed by a duly appointed officer of the Company (the "Officer's Certificate") true for such years;
2. the Company will not make any amendments to its organizational documents or the operating partnership agreement of Corporate Office Properties, LP (the "Operating Partnership Agreement") after the date of this opinion that would affect its qualification as a REIT for any taxable year;
3. each partner of Corporate Office Properties, LP (a "Partner") that is a corporation or other entity has a valid legal existence;
4. each Partner has full power, authority, and legal right to enter into and to perform the terms of the Operating Partnership Agreement and the transactions contemplated thereby; and
5. no action will be taken by the Company, Corporate Office Properties, LP, or the Partners after the date hereof that would have the effect of altering the facts upon which the opinions set forth below are based.

In connection with the opinions rendered below, we have relied on the representation in the Officer's Certificate that the information contained in the Officer's Certificate and the Registration Statement, or otherwise furnished to us, accurately describes all material facts relevant to our opinions. Where the factual representations contained in the Officer's Certificate involve matters of law, we have explained to the Company's representatives the relevant and material sections of the Code, the Regulations, published rulings of the Internal Revenue Service (the "IRS") and other relevant authority to which such representations relate and are satisfied that the Company's representatives understand such provisions and are capable of making such representations. After reasonable inquiry, we are not aware of any facts inconsistent with the representations set forth in the Officer's Certificate.

These opinions also are premised on the assumptions and representations described in the Registration Statement under the heading "FEDERAL INCOME TAX

MATTERS" and as otherwise set out in the Prospectus Supplement (collectively, the "Tax Section"). For purposes of our opinions, we have not made an independent investigation of the matters relating to such assumptions or representations.

Based upon and subject to the foregoing, we are of the opinion that, for federal income tax purposes, (a) the Company has qualified to be taxed as a REIT for the taxable years commencing on and after January 1, 1992, and ending December 31, 2009, (b) the proposed method of operation as described in the Registration Statement and as represented by the Company will enable the Company to continue to satisfy the requirements for such qualification for subsequent taxable years, and (c) the discussion in the Prospectus Supplement, to the extent that it constitutes matters of federal income tax law or legal conclusions relating thereto, is correct and complete in all material respects.

We express no opinion other than the opinions expressly set forth herein. Our opinions are not binding on the IRS and the IRS may disagree with our opinions. Although we believe that our opinions would be sustained if challenged, there can be no assurance that this will be the case. Our opinions are based upon the law as it currently exists. Consequently, future changes in the law may cause the federal income tax treatment of the matters referred to herein and in the Tax Section to be materially and adversely different from that described above and in the Tax Section. In addition, any variation in the facts from those set forth in the Registration Statement, the Prospectus Supplement, the representations contained in the Certificate or otherwise provided to us may affect the conclusions stated in our opinions. Moreover, the

Company's qualification and taxation as a REIT depended and depend upon the Company's ability to meet, for each taxable year, various tests imposed under the Code. These include, among others, tests relating to asset composition, operating results, distribution levels and diversity of stock ownership. We will not review (and have not reviewed) the Company's compliance with these tests for the Company's current or future taxable years. Accordingly, no assurance can be given that the actual results of the Company's operations for any taxable year will satisfy (or has satisfied) the requirements for the Company to qualify (or to have qualified) as a REIT.

The opinions set forth in this letter are rendered only to you, and are solely for your use in connection with the issuance of securities by the Company pursuant to the Prospectus Supplement. This letter may not be relied upon by you for any other purpose, or furnished to, quoted to or relied upon by any other person, firm or corporation, for any purpose, without our prior written consent. We hereby consent to the filing of this letter as an exhibit to the Prospectus Supplement and to the use of our name in the Tax Section of the Prospectus Supplement.

Very truly yours,
