As Representatives of the several Underwriters

Ladies and Gentlemen:

1. **Introductory.** Corporate Office Properties, L.P. a Delaware limited partnership (the “**Operating Partnership**”), proposes to issue and sell to Wells Fargo Securities, LLC (“**Wells Fargo**”), J.P. Morgan Securities LLC (“**J.P. Morgan**”) and each of the other Underwriters named in Schedule I hereto (collectively, the “**Underwriters**”), for whom Wells Fargo and J.P. Morgan are acting as representatives (in such capacity, the “**Representatives**”), with respect to the issue and sale by the Operating Partnership and the purchase by the Underwriters, acting severally and not jointly, of the respective principal amounts set forth in said Schedule I hereto of \$400,000,000 aggregate principal amount of the Operating Partnership’s 2.250% Senior Notes due 2026 (the “**Notes**”). The Operating Partnership’s obligations under the Notes and the Indenture (as defined below) will be guaranteed on a senior unsecured basis (the “**Guarantee**”) by Corporate Office Properties Trust (the “**Company**”). The Notes will be issued pursuant to a base indenture dated as of April 8, 2019 (the “**Base Indenture**”) between the Operating Partnership, the Company and U.S. Bank National Association, as trustee (the “**Trustee**”), as supplemented by a first supplemental indenture to be dated as of September 17, 2020 (the “**Supplemental Indenture**”) and, together with the Base Indenture, the “**Indenture**.”). All references herein to the Notes include the related Guarantee unless the context otherwise requires. The Company and the Operating Partnership hereby agree with the Underwriters as follows:

2. **Representations and Warranties of the Company and the Operating Partnership** Each of the Company and the Operating Partnership jointly and severally represent, warrant and agree that:

(a) An “automatic shelf registration statement” as defined under Rule 405 under the Securities Act of 1933, as amended (the “**Securities Act**”) (No. 333-230764) relating to the Notes being sold by the Company and the Operating Partnership, including a base prospectus, has been filed with the Securities and Exchange Commission (the “**Commission**”) under the Securities Act and such registration statement (“**registration statement**”) became effective upon filing with the Commission. For purposes of this Agreement, “**Effective Time**” means the date and time as of which the registration statement became effective upon filing with the Commission. “**Effective Date**” with respect to the registration statement means the date of the Effective Time thereof. The registration statement, as amended at its Effective Time, including all material incorporated by reference therein, pursuant to the General Instructions of the Form on which it is filed and including all information (if any) deemed to be a part of the registration statement as of its Effective Time pursuant to Rule 430B (“**Rule 430B**”) under the Securities Act, is hereinafter referred to as a “**Registration Statement**.” The base prospectus, together with the final prospectus supplement setting forth the final terms of the offering, sale and plan of distribution of the Notes, as filed with the Commission pursuant to and in accordance with Rule 430B and Rule 424(b) (“**Rule 424(b)**”) under the Securities Act and as included in the Registration Statement, including all material incorporated by reference in such prospectus, are hereinafter referred to as the “**Prospectus**.” The prospectus subject to completion in the form included in the Registration Statement at the time of the initial filing of such Registration Statement with the Commission and as such prospectus is amended or supplemented pursuant to a preliminary prospectus supplement filed with the Commission pursuant to and in accordance with Rule 424(b) and Rule 430B from time to time until the date of the Prospectus is referred to in this Agreement as the “**Preliminary Prospectus**.” For purposes of this Agreement, “**free writing prospectus**” has the meaning ascribed to it in Rule 405 under the Securities Act, and “**Issuer Free Writing Prospectus**” shall mean each free writing prospectus prepared by or on behalf of the Operating Partnership or the Company or used or referred to by the Operating Partnership or the Company in connection with the offering of the Notes. “**Time of Sale Information**” shall mean the Preliminary Prospectus together with the information listed in Schedule I hereto and the free writing prospectuses, if any, each identified in Schedule II hereto. All references in this Agreement to the Registration Statement, a Preliminary Prospectus, the Prospectus or the Time of Sale Information, or any amendments or supplements to any of the foregoing, shall be deemed to refer to and include any documents included therein or deemed to be incorporated by reference therein, and shall include any copy thereof filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval System (“**EDGAR**”). Each of the Company and the Operating Partnership meets the requirements for the use of Form S-3 under the Securities Act and the Registration Statement meets the requirements of, and complies in all material respects with, Rule 415(a)(1)(x) under the Securities Act.

All references in this Agreement to financial statements and schedules and other information which is “contained,” “included” or “stated” in the Registration Statement, any Preliminary Prospectus or the Prospectus (or other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which is incorporated by reference in or otherwise deemed by the rules and regulations of the Commission under the Securities Act (the “**Rules and Regulations**”) to be a part of or included in the Registration Statement, any Preliminary Prospectus or the Prospectus, as the case may be; and all references in this Agreement to amendments or supplements to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to mean and include the filing of any document under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”) or the rules and regulations of the Commission under the Exchange Act (the “**Exchange Act Regulations**”) which is incorporated by reference in or otherwise deemed by the Rules and Regulations to be a part of or included in the Registration Statement, such Preliminary Prospectus or the Prospectus, as the case may be.

(b) On the Effective Date of the Registration Statement, at the effective time of any amendment to the Registration Statement, and at the time the most recent Annual Report on Form 10-K was filed, and at each deemed effective date (the “**deemed effective date**”) with respect to the Underwriters pursuant to Rule 430(B) (f)(2) under the Securities Act, the Registration Statement (and with respect to each deemed effective date, the part of the Registration Statement relating to the Notes) complied as to form in all material respects to the requirements of the Securities Act and the Rules and Regulations and did not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading. At the time of filing of each of the Preliminary Prospectus and the Prospectus pursuant to Rule 424(b) and at the Closing Date (as hereinafter defined), each of the Preliminary Prospectus and the Prospectus will comply as to form, in all material respects, to the requirements of the Securities Act and the Rules and Regulations, and will not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances in which they were made. The Time of Sale Information does not, and will not at the time of sale of the Notes and at the Closing Date (as hereinafter defined), contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Registration Statement, the Preliminary Prospectus, the Prospectus or the Time of Sale Information based upon written information furnished to the Company and the Operating Partnership by the Underwriters specifically for use therein, it being understood and agreed that the only such information is that described as such in Section 7(b) hereof. Each Preliminary Prospectus, the Prospectus and Issuer Free Writing Prospectus delivered to the Underwriters for use in connection with this offering was identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(c) Each Issuer Free Writing Prospectus conformed or will conform in all material respects to the requirements of the Securities Act and the Rules and Regulations on the date of first use, and the Company and the Operating Partnership have complied with all prospectus delivery and any filing requirements applicable to such Issuer Free Writing Prospectus pursuant to the Securities Act and the Rules and Regulations. Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Notes or until any earlier date that the Company and the Operating Partnership notified or notify the Underwriters, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement, the Preliminary Prospectus or the Prospectus, including any document incorporated by reference therein and any preliminary or other prospectus supplement deemed to be a part thereof that has not been superseded or modified. The Company and the Operating Partnership have not made any offer relating to the Notes that would constitute an Issuer Free Writing Prospectus without the prior written consent of the Underwriters. The Company and the Operating Partnership have retained in accordance with the Securities Act all Issuer Free Writing Prospectuses that were not required to be filed pursuant to the Securities Act. The Company and the Operating Partnership have taken all actions necessary so that any “road show” (as defined in Rule 433) in connection with the offering of the Notes will not be required to be filed pursuant to the Securities Act.

(d) (A) At the respective times the Registration Statement or any amendments thereto were filed with the Commission, (B) at the time of the most recent amendment to the Registration Statement for the purposes of complying with Section 10(a)(3) of the Securities Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Exchange Act or form of prospectus), (C) at any time the Operating Partnership, the Company or any person acting on their behalf (within the meaning, for this clause only, of Rule 163(c)) made any offer relating to the Notes in reliance on the exemption of Rule 163 and (D) at the date hereof, the Company and the Operating Partnership were and are “well-known seasoned issuers” as defined in Rule 405, including not having been and not being an “ineligible issuer” as defined in Rule 405 (without taking into account any determination made by the Commission pursuant to paragraph (2) of the definition of such term in Rule 405). The Registration Statement is an “automatic shelf registration statement,” as defined in Rule 405 and the Notes, since their registration on the Registration Statement, have been and remain eligible for registration by the Company and the Operating Partnership on such an “automatic shelf registration statement.” The Company and the Operating Partnership have not received from the Commission any notice pursuant to Rule 401(g)(2) objecting to the use of the automatic shelf registration statement form. Any written communication that was an offer relating to the Notes made by the Operating Partnership, the Company or any person acting on their behalf (within the meaning, for this sentence only, of Rule 163(c)) prior to the filing of the Registration Statement has been filed with the Commission in accordance with Rule 163 and otherwise complied with the requirements of Rule 163, including without limitation the legending requirement, to qualify such offer for the exemption from Section 5(c) of the Securities Act provided by Rule 163.

(e) The Prospectus shall incorporate by reference the most recent Annual Report of the Company and the Operating Partnership on Form 10-K filed with the Commission, and each Quarterly Report of the Company and the Operating Partnership on Form 10-Q and Current Report of the Company and the Operating Partnership on Form 8-K filed with the Commission since the filing of the Annual Report. The documents incorporated or deemed to be incorporated by reference in the Registration Statement, the Prospectus and the Time of Sale Information, at the time they were or hereafter are filed with the Commission, complied and shall comply in all material respects with the requirements of the Exchange Act and the Exchange Act Regulations and, when read together with the other information in the Prospectus and the Time of Sale Information, at (a) the time the Registration Statement became effective, (b) the earlier of the time the Prospectus was first used and the date and time (the “**Applicable Time**”) of the first contract of sale of Notes in this offering, and (c) the Closing Date (as hereinafter defined), did not and shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(f) The Registration Statement is not the subject of a pending proceeding or examination under Section 8(d) or 8(e) of the Securities Act, and the Company and the Operating Partnership are not the subject of a pending proceeding under Section 8A of the Securities Act in connection with the offering of the Notes.

(g) No stop order suspending the effectiveness of the Registration Statement or any part thereof has been issued and, to the knowledge of the Company and the Operating Partnership, no proceeding for that purpose has been instituted or threatened by the Commission or by the state securities authority of any jurisdiction. No order preventing or suspending the use of the Preliminary Prospectus or the Prospectus has been issued and, to the knowledge of the Company and the Operating Partnership, no proceeding for that purpose has been instituted or threatened by the Commission or by the state securities authority of any jurisdiction.

(h) The Company has been duly organized and is an existing real estate investment trust ("**REIT**") in good standing under the laws of the State of Maryland, with power and authority as a REIT to own its properties and conduct its business as described in the Prospectus and the Time of Sale Information; and the Operating Partnership has been duly organized and is an existing limited partnership in good standing under the laws of the State of Delaware, with power and authority to own its properties and conduct its business as described in Prospectus and the Time of Sale Information, and each of the Company and the Operating Partnership is duly qualified to do business as a foreign entity in good standing in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have a material adverse effect on (i) the condition (financial or other), business, properties, prospects, net worth or results of operations of the Company, the Operating Partnership and the Subsidiaries (as hereinafter defined) taken as a whole, (ii) the issuance or validity of the Notes or (iii) the consummation of any of the transactions contemplated by this Agreement to be performed by the Company and/or the Subsidiaries (individually or collectively, a "**Material Adverse Effect**").

(i) Each subsidiary of the Company is listed on Schedule III hereto (each, a "**Subsidiary**" and collectively the "**Subsidiaries**") and has been duly organized and is validly existing as a corporation, limited partnership or other legal entity, as the case may be, in good standing under the laws of its respective jurisdiction of incorporation or formation, with power and authority (corporate and other) to own its properties and conduct its business as described in the Prospectus and the Time of Sale Information; and each Subsidiary is duly qualified to do business as a foreign corporation, limited partnership or other legal entity, as the case may be, in good standing in all other jurisdictions in which such Subsidiary's ownership or lease of property or the conduct of such Subsidiary's business requires such qualification, except where the failure to be so qualified would not reasonably be expected to have a Material Adverse Effect. The issued and outstanding common and preferred units of limited partnership interest in the Operating Partnership ("**Units**") and other equity interests, as the case may be, of each of the other Subsidiaries have been duly authorized and validly issued, are, with respect to corporate Subsidiaries, fully paid and nonassessable and, except as otherwise set forth in the Prospectus and the Time of Sale Information or reflected in the financial statements contained in, or incorporated by reference in, the Prospectus and the Time of Sale Information, are owned beneficially by the Company, directly or indirectly through one or more Subsidiaries, free and clear of any security interests, liens, encumbrances, equities or claims, except for security interests, liens, encumbrances, equities or claims pursuant to the terms of a bona fide financing transaction.

(j) Complete and correct copies of the declaration of trust and of the bylaws of the Company, the certificate of limited partnership and agreement of limited partnership of the Operating Partnership and the charter documents, partnership agreements and other organizational documents of the other Subsidiaries, as applicable, and all amendments thereto as have been requested by the Underwriters or its counsel have been delivered to the Underwriters or its counsel. As of the Closing Date (as hereinafter defined), the partnership agreement of the Operating Partnership, as amended, will have been duly authorized, executed and delivered by the Company, as the general partner and as a limited partner and (assuming it has been duly authorized, executed and delivered by each of the other parties thereto, and is a legal, valid and binding agreement of each such other party) in full force and effect, subject to (i) the effect of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other similar laws now or hereafter in effect relating to or affecting the rights and remedies of creditors, (ii) the effect of general principles of equity, whether enforcement is considered in a proceeding in equity or at law, and the discretion of the court before which any proceeding therefore may be brought and (iii) the provisions of the Delaware Revised Uniform Limited Partnership Act.

(k) The Company and the Operating Partnership have an authorized, issued and outstanding capitalization as set forth in the Prospectus and the Time of Sale Information. All of the issued and outstanding shares of beneficial interest, par value \$0.01 (the "**Common Shares**"), of the Company and units of the Operating Partnership have been duly authorized and validly issued and are fully paid and non-assessable. The Common Shares conform in all material respects to the description thereof contained in the Registration Statement, the Prospectus and the Time of Sale Information. None of the outstanding Common Shares or units of the Operating Partnership were issued in violation of any preemptive rights, rights of first refusal or other similar rights to subscribe for or purchase securities of the Company and the Operating Partnership. The descriptions of the Company's stock option, stock bonus and other stock plans or arrangements, and the options or other rights granted thereunder, set forth or incorporated by reference in the Time of Sale Information and the Prospectus accurately and fairly present the information required to be shown with respect to such plans, arrangements, options and rights.

(l) The Notes will be in the form contemplated by, and are entitled to the benefits of, the Indenture, and have been duly authorized by all necessary action of the Company and the Operating Partnership and at the Closing Date, when issued and authenticated in the manner provided for in the Indenture and delivered and paid for as contemplated by this Agreement, will constitute valid and legally binding obligations of the Operating Partnership, as issuer, and the Company, as guarantor, enforceable against the Operating Partnership, as issuer, and the Company, as guarantor, in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting creditors' rights generally or by general equitable principles. The Notes and the Guarantee will conform in all material respects to all statements and descriptions related thereto contained in the Prospectus and Time of Sale Information. The Notes will rank equally with all unsecured indebtedness (other than subordinated indebtedness) of the Operating Partnership that is outstanding on the Closing Date or that may be incurred thereafter and senior to all subordinated indebtedness of the Operating Partnership that is outstanding on the Closing Date or that may be incurred thereafter, except that such Notes will be effectively subordinate to the prior claims of each secured mortgage lender to the extent of the property securing such mortgage and any claims of creditors of entities wholly or partly owned, directly or indirectly, by the Operating Partnership to the extent of the assets of those entities. The Guarantee will rank equally with all unsecured indebtedness (other than subordinated indebtedness) of the Company that is outstanding on the Closing Date or that may be incurred thereafter and senior to all subordinated indebtedness of the Company that is outstanding on the Closing Date or that may be incurred thereafter, except that such Guarantee will be effectively subordinate to the prior claims of each secured mortgage lender to the extent of the property securing such mortgage and any claims of creditors of entities wholly or partly owned, directly or indirectly, by the Company to the extent of the assets of those entities.

(m) The Guarantee has been duly authorized by the Company and, when the Notes have been duly authenticated as provided in the Indenture and paid for as provided in this Agreement, will be a valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or other similar laws relating to or affecting enforcement of creditors' rights generally, or by general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law) and except as rights to indemnity and contribution may be limited by public policy, and will be entitled to the benefits of the Indenture.

(n) The Base Indenture has been duly authorized, executed and delivered by each of the Company and the Operating Partnership and constitutes a valid and binding agreement of each of the Company and the Operating Partnership, enforceable against each of the Company and the Operating Partnership in accordance with its terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting enforcement of creditors' rights generally or by general equitable principles; the Supplemental Indenture has been duly authorized by each of the Company and the Operating Partnership and, on the Closing Date, will have been duly executed and delivered by each of the Company and the Operating Partnership and will constitute a valid and binding agreement of each of the Company and the Operating Partnership, enforceable against each of the Company and the Operating Partnership in accordance with its terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting enforcement of creditors' rights generally or by general equitable principles; and the Indenture has been duly qualified under the Trust Indenture Act of 1939, as amended, and the rules and regulations of the Commission thereunder (the "**1939 Act**"), and the Trustee has filed a Form T-1 as an exhibit to the Registration Statement.

(o) The Indenture conforms in all material respects to the respective statements relating thereto contained in the Registration Statement, the Time of Sale Information and the Prospectus and is in substantially the respective forms filed or incorporated by reference, as the case may be, as exhibits to the Registration Statement.

(p) Except for the Company Registration Rights Agreement (as defined below), there are no contracts, agreements or understandings between the Company and any person granting such person the right to require the Company to file a registration statement under the Securities Act with respect to any securities of the Company owned or to be owned by such person or to require the Company to include such securities in the Registration Statement or in any other registration statement filed by the Company under the Securities Act. Any notices required to be given under the Company Registration Rights Agreement were given and no person with rights thereunder, has exercised any such rights. The “**Company Registration Rights Agreement**” shall mean the Amended and Restated Registration Rights Agreement, dated March 16, 1998, of Corporate Office Properties Trust for the benefit of Holders of the Partnership Units and Preferred Units of Corporate Office Properties, L.P. and Holders of Common Shares of Beneficial Interest of Corporate Office Properties Trust.

(q) Except as disclosed in the Time of Sale Information and the Prospectus or as provided in this Agreement, or not disclosed because not material, the Company and its Subsidiaries do not have outstanding, and at the Closing Date will not have outstanding (A) securities or obligations of the Company or any of its Subsidiaries convertible into or exchangeable for any shares of beneficial interest of the Company or other equity interests of any such Subsidiary, (B) warrants, rights or options to subscribe for or purchase from the Company or any such Subsidiary any such shares of beneficial interest or equity interests or any such convertible or exchangeable securities or obligations (except for options issued subsequent to December 31, 2003 under the Company’s established stock option plans), or (C) obligations of the Company or any such Subsidiary to issue any shares of beneficial interest or equity interests, any such convertible or exchangeable securities or obligations, or any such warrants, rights or options. Other than shares of beneficial interest of the Company issuable (i) upon exercise of share options pursuant to the Company’s stock-based plans for its employees and trustees, (ii) upon the redemption of Units, or (iii) upon the exchange of the notes issued by the Operating Partnership (if any), no shares of beneficial interest of the Company are reserved for any purpose, except as disclosed in the Prospectus and the Time of Sale Information.

(r) The execution, delivery and performance of this Agreement by the Company and the Operating Partnership, the issuance, offering and sale of the Notes to the Underwriters by the Company and the Operating Partnership pursuant to this Agreement, the compliance by the Company and the Operating Partnership with the other provisions of this Agreement and the consummation of the other transactions herein contemplated to be performed by the Company and the Operating Partnership do not (i) require any material governmental license, permit, consent, approval, authorization or other order of, registration, filing or qualification with, any court or governmental body or agency (except such as have been obtained or may be required under the Securities Act and the Exchange Act, securities, blue sky or real estate syndication laws of the various states, the bylaws and rules of the Financial Industry Regulatory Authority, Inc. (“**FINRA**”) or the requirements of the New York Stock Exchange, Inc. (“**NYSE**”)), (ii) result in the creation or imposition of any lien, charge or encumbrance upon any of the assets or properties of the Company or any of the Subsidiaries pursuant to the terms or provisions of, or conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under (whether with or without the giving of notice or passage of time or both, would constitute a default under any of the foregoing), or give any other party a right to terminate any of its obligations under, or result in the acceleration of any obligation under, the charter, declaration of trust, bylaws, partnership agreement or other organizational document of the Company or any of the Subsidiaries or in the performance or observance of any obligation, covenant, agreement or condition contained in any indenture, loan agreement, mortgage, bond, debenture, note agreement, joint venture or partnership agreement, lease or other agreement or instrument that is material to the Company and the Subsidiaries, taken as a whole, to which the Company or any of the Subsidiaries is a party or by which the Company or any of the Subsidiaries or their respective property is bound or, (iii) violate or conflict with any applicable law or any rule, regulation, judgment, order, statute, administrative regulation or decree of any court or any governmental body or agency (foreign or domestic) having jurisdiction over the Company, any of the Subsidiaries or their respective property, in each case (other than with respect to breaches or violations of the terms of the charter, declaration of trust, bylaws, partnership agreement or other organizational document of the Company or any of the Subsidiaries) except for requirements, liens, charges, encumbrances, breaches, violations, defaults, rights to terminate or accelerate obligations, or conflicts, the imposition or occurrence of which would not have a Material Adverse Effect.

(s) Each of the Company and the Operating Partnership has full trust or partnership power, as the case may be, to enter into this Agreement, and to carry out all of the terms and provisions hereof to be carried out by them. This Agreement has been duly and validly authorized, executed and delivered by each of the Company and the Operating Partnership, and constitutes a valid and binding agreement of each of the Company and the Operating Partnership, and assuming due authorization, execution and delivery by the Underwriters, is enforceable against the Company and the Operating Partnership, in accordance with the terms hereof subject to (i) the effect of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other similar laws now or hereafter in effect relating to or affecting the rights and remedies of creditors and (ii) the effect of general principles of equity, whether enforcement is considered in a proceeding in equity or at law, and the discretion of the court before which any proceeding therefor may be brought.

The Company and the Operating Partnership will prepare and file with the Commission, in accordance with the rules and regulations of the Commission, promptly upon request by the Underwriters or counsel for the Underwriters, any amendments to the Registration Statement or amendments or supplements to the Preliminary Prospectus or Prospectus that may be necessary or advisable in connection with the distribution of the Notes by the Underwriters, and will use its best efforts to cause any such amendment to the Registration Statement to be declared or become effective by the Commission as promptly as possible. The Company and the Operating Partnership will also advise the Underwriters promptly of the effectiveness of the Registration Statement (if its Effective Time is subsequent to the execution and delivery of this Agreement) and of any amendment or supplementation of the Registration Statement or the Preliminary Prospectus or the Prospectus and of the institution by the Commission of any stop order proceedings in respect of the Registration Statement and of the suspension of the qualification of the Notes for offering or sale in any jurisdiction and will use its best efforts to prevent the issuance of any such stop order and to obtain as soon as possible its lifting, if issued.

(c) The Company and the Operating Partnership will advise the Underwriters, promptly after receiving notice or obtaining knowledge thereof and, if requested by the Underwriters, to confirm such advice in writing, of (i) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or any Registration Statement filed under Rule 462(e) under the Securities Act or any post-effective amendment thereto or any order directed at any document incorporated by reference in the Registration Statement or the Preliminary Prospectus or the Prospectus or any amendment or supplement thereto or any order preventing or suspending the use of any Prospectus or any amendment or supplement thereto, (ii) the suspension of the qualification of the Notes for offering or sale in any jurisdiction, (iii) the institution, threatening or contemplation of any proceeding for any such purpose, (iv) the effectiveness of any amendment to the Registration Statement, the transmittal to the Commission for filing of any Prospectus or other supplement or amendment thereto to be filed pursuant to the Securities Act, any request made by the Commission for amending the Registration Statement, for amending or supplementing any preliminary prospectus or the Prospectus or for additional information or (v) the happening of any event during the period referred to in Section 5(d) below which makes any statement of a material fact made in the Registration Statement, Preliminary Prospectus, Prospectus or Time of Sale Information untrue or which requires any additions to or changes in the foregoing in order to make the statements therein not misleading. The Company and the Operating Partnership will use their best efforts to prevent the issuance of any such stop order and, if any such stop order is issued, to obtain the withdrawal or lifting thereof as promptly as possible.

(d) At any time when a prospectus relating to the Notes is (or but for the exemption in Rule 172 would be) required to be delivered under the Securities Act in connection with sales by the Underwriters or dealers, each of the Company and the Operating Partnership (i) will comply with all requirements imposed upon it by the Securities Act and the Exchange Act to the extent necessary to permit the continuance of sales of or dealings in the Notes in accordance with the provisions hereof and of the Prospectus, as then amended or supplemented, (ii) will not file with the Commission the Preliminary Prospectus or the Prospectus, any amendment or supplement thereto or any amendment to the Registration Statement of which the Underwriters shall not previously have been advised and furnished with a copy for a reasonable period of time prior to the proposed filing and as to which filing the Underwriters shall not have given its consent which shall not be unreasonably withheld, and (iii) if any event occurs as a result of which the Preliminary Prospectus, Prospectus or Time of Sale Information as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary at any time to amend the Preliminary Prospectus or Prospectus to comply with the Securities Act, will promptly notify the Underwriters of such event and will promptly prepare and file with the Commission, at its own expense, an amendment or supplement which will correct such statement or omission or an amendment which will effect such compliance. Neither the Underwriters' consent to, nor the Underwriters' delivery of, any such amendment or supplement shall constitute a waiver of any of the conditions set forth in Section 6.

(e) As soon as practicable, but not later than the Availability Date (as hereinafter defined), the Operating Partnership and the Company will make generally available to its securityholders an earnings statement covering a period of at least 12 months beginning after the Effective Date of the Registration Statement which will satisfy the provisions of Section 11(a) of the Securities Act. For the purpose of the preceding sentence, "**Availability Date**" means the 45th day after the end of the fourth fiscal quarter following the fiscal quarter that includes such Effective Date, except that, if such fourth fiscal quarter is the last quarter of the Operating Partnership's and the Company's fiscal year, "**Availability Date**" means the 90th day after the end of such fourth fiscal quarter.

(f) The Company and the Operating Partnership will furnish, without charge, to the Underwriters copies of each of the Preliminary Prospectus and the Prospectus included in the Registration Statement, and, so long as a prospectus relating to the Notes is (or but for the exemption in Rule 172 would be) required to be delivered under the Securities Act in connection with sales by the Underwriters or dealer, the Prospectus and all amendments and supplements to such documents (in each case including exhibits thereto), in each case in such quantities as the Underwriters request. Unless otherwise agreed to by the Company and the Operating Partnership and the Underwriters, the Preliminary Prospectus and the Prospectus shall be so furnished on or prior to 3:00 P.M., New York time, on the second business day following the later of the execution and delivery of this Agreement or the Effective Time of the Registration Statement. All other documents shall be so furnished as soon as available. The Company and the Operating Partnership will pay the expenses of printing and distributing to the Underwriters all such documents.

(g) The Operating Partnership and the Company will arrange for the registration or qualification of the Notes for offering and sale under the applicable state securities or blue sky laws and real estate syndication laws of such jurisdictions as the Underwriters designate and will continue such registration or qualifications in effect for as long as may be necessary to complete the distribution of the Notes and to file such consents to service of process or other documents as may be necessary in order to effect such registration or qualification; **provided, however, that** in connection therewith the Operating Partnership and the Company shall not be required to qualify as a foreign corporation or to execute a general consent to service of process in any jurisdiction.

(h) During the period of five years hereafter, upon request of the Underwriters, the Company will furnish to the Underwriters, as soon as practicable after the end of each fiscal year, a copy of its annual report to shareholders for such year; and the Company will furnish to the Underwriters (i) as soon as available, a copy of each report and any definitive proxy statement of the Company filed with the Commission under the Exchange Act or mailed to shareholders, and (ii) from time to time, such other information concerning the Company and the Operating Partnership as the Underwriters may reasonably request.

(i) The Company and the Operating Company will pay all costs, fees, taxes and expenses incident to the performance of its obligations under this Agreement, whether or not the transactions contemplated herein are consummated or this Agreement is terminated, including all costs, fees, taxes and expenses incident to (i) the printing, filing or other production of documents with respect to the transactions, including any costs of printing the Registration Statement originally filed with respect to the Notes and any amendment thereto, the Preliminary Prospectus, the Prospectus, any Time of Sale Information and any amendment or supplement thereto, this Agreement and any blue sky memoranda, (ii) all arrangements relating to the mailing and delivery to the Underwriters of copies of the foregoing documents, (iii) the fees, expenses and disbursements of the counsel, accountants and any other experts or advisors retained by the Company and the Operating Partnership, (iv) preparation, printing, issuance and delivery to the Underwriters of any certificates evidencing the Notes, including transfer agent's and registrar's fees, (v) the registration or qualification of the Notes under state securities and blue sky laws and the real estate syndication laws of the several states, including filing fees and fees and disbursements of counsel for the Underwriters relating thereto, (vi) the filing fees and disbursement of counsel for the Underwriters solely in connection with the review and clearance of the offering of the Notes by the FINRA relating to the Notes, (vii) meetings with prospective investors in the Notes (other than shall have been specifically approved by the Underwriters to be paid for by the Underwriters), (viii) advertising approved by the Company and the Operating Partnership relating to the offering of the Notes (other than shall have been specifically approved by the Underwriters to be paid for by the Underwriters) and (ix) any transfer taxes imposed on the sale by the Company and the Operating Partnership of the Notes to the Underwriters. If the sale of the Notes provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, because this Agreement is terminated or because of any failure, refusal or inability on the part of the Operating Partnership or the Company to perform all obligations and satisfy all conditions on its part to be performed or satisfied hereunder other than by reason of a default by the Underwriters, the Company and the Operating Partnership will reimburse the Underwriters upon demand for all out-of-pocket expenses that are the responsibility of the Company and the Operating Partnership pursuant to this Section 5(i) and that shall have been incurred by them in connection with the proposed purchase and sale of the Notes, including but not limited to fees and disbursements of counsel, printing expenses, travel expenses, postage, facsimile and telephone charges. The Company and the Operating Partnership shall not in any event be liable to the Underwriters for the loss of anticipated profits from the transactions covered by this Agreement.

(j) The Operating Partnership and/or the Company will apply the net proceeds from the sale of the Notes as set forth under “Use of Proceeds” in the Prospectus and the Time of Sale Information.

(k) The Company and the Operating Partnership will not, at any time, directly or indirectly, (i) take any action designed to cause or to result in, or that has constituted or which might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company or the Operating Partnership to facilitate the sale or resale of the Notes or (ii) (A) sell, bid for, purchase, or pay anyone any compensation for soliciting purchases of, the Notes or (B) pay or agree to pay to any person any compensation for soliciting another to purchase any other securities of the Company or the Operating Partnership.

(l) The Company and the Operating Partnership shall pay the required Commission filing fees relating to the Securities within the time required by Rule 456(b)(1)(i) of the Rules and Regulations without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) of the Rules and Regulations, except to the extent such filing fees have been paid prior to the date hereof.

(m) From the date of this Agreement through, and including, the Closing Date, the Company and the Operating Partnership will not, without the prior written consent of the Representatives (which consent may be withheld at the sole discretion of the Representatives), offer, sell, contract to sell or otherwise dispose of, except for the Notes sold to the Underwriters pursuant to this Agreement and the Guarantee issued by the Company, any debt securities issued or guaranteed by the Operating Partnership or the Company similar to the Notes or any securities convertible into or exchangeable or exercisable for any debt securities similar to the Notes.

(n) The Company and the Operating Partnership will prepare a final term sheet containing only a description of the Notes, in a form approved by the Underwriters and attached as Schedule II hereto, and will file such term sheet pursuant to Rule 433(d) under the Securities Act within the time required by such rule (such term sheet, the “**Final Term Sheet**”). Any such Final Term Sheet is an Issuer Free Writing Prospectus for purposes of this Agreement.

(o) During the period when the Prospectus is (or but for the exemption in Rule 172 would be) required to be delivered under the Securities Act or the Exchange Act in connection with sales of the Notes, the Company and the Operating Partnership will file all documents required to be filed by it with the Commission pursuant to Section 13, 14 or 15 of the Exchange Act within the time periods required by the Exchange Act.

(p) The Company will use its best efforts to continue to qualify as a REIT under Sections 856 through 860 of the Code unless the Company's Board of Trustees determines that it is no longer in the best interests of the Company to be so qualified.

(q) Each certificate signed by any officer or authorized representative of the Company and the Operating Partnership or any Subsidiary and delivered to the Underwriters or counsel for the Underwriters shall be deemed to be a representation and warranty by the Company, Operating Partnership or any Subsidiary to the Underwriters as to the matters covered thereby.

(r) The Company and the Operating Partnership will, pursuant to reasonable procedures developed in good faith, retain copies of each Issuer Free Writing Prospectus that is not filed with the Commission in accordance with Rule 433 under the Securities Act.

(s) The Company and the Operating Partnership will not make any offer relating to the Notes that would constitute an Issuer Free Writing Prospectus without the prior consent of the Underwriters.

6. **Conditions of the Obligations of the Underwriters.** The obligations of the Underwriters to purchase and pay for the Notes under this Agreement shall be subject, in the Underwriters' sole discretion, to the satisfaction of each of the following conditions:

(a) All the representations and warranties of the Company and the Operating Partnership contained in this Agreement and all written statements of officers of the Company and the Operating Partnership made pursuant to this Agreement shall be true and correct on the Closing Date with the same force and effect as if made on and as of the Closing Date.

(b) The Registration Statement has become effective under the Securities Act; the Issuer Free Writing Prospectus, if any, the Prospectus and any amendment or supplement thereto, as the case may be, shall have been filed with the Commission pursuant to Rule 424(b) (in the case of the Issuer Free Writing Prospectus, to the extent required under Rule 433 of the Securities Act) within the applicable time period prescribed for such filing by such Rule; and no stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto and no order directed at any document incorporated by reference in the Registration Statement or the Prospectus or any amendment or supplement thereto shall have been issued, and no proceedings for that purpose shall have been instituted or threatened, or, to the knowledge of the Company and the Operating Partnership, after due inquiry, shall be contemplated by the Commission. No stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto and no order directed at any document incorporated by reference in the Registration Statement or the Prospectus or any amendment or supplement thereto shall have been issued, and no proceedings for that purpose shall have been instituted or threatened, or, to the knowledge of the Company and the Operating Partnership, after due inquiry, shall be contemplated by the state securities authority of any jurisdiction.

(c) Subsequent to the execution and delivery of this Agreement, there shall not have occurred (i) any change, or any development or event involving a prospective change, in the condition (financial or other), business, properties or results of operations of the Company, the Operating Partnership and the Subsidiaries taken as one enterprise which, in the judgment of the Underwriters, is material and adverse and makes it impractical or inadvisable to proceed with completion of the public offering or the sale of and payment for the Notes; (ii) any downgrading in the rating of any debt securities or preferred stock of the Company and the Operating Partnership by any "nationally recognized statistical rating organization" (as defined in Section 3(a)(62) of the Exchange Act), or any public announcement that any such organization has under surveillance or review its rating of any debt securities or preferred stock of the Company and the Operating Partnership (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading, of such rating) or any announcement that the Company or the Operating Partnership has been placed on negative outlook; (iii) any change in U.S. or international financial, political or economic conditions or currency exchange rates or exchange controls as would, in the judgment of the Underwriters, make it impractical or inadvisable to proceed with completion of the public offering or the sale of and payment for the Notes, whether in the primary market or in respect of dealings in the secondary market; (iv) any material suspension or material limitation of trading in securities generally on the NYSE, or any setting of minimum prices for trading on such exchange; (v) any banking moratorium declared by U.S. Federal or New York authorities; (vi) any major disruption of settlements of securities or clearance services in the United States or in Europe; (vii) any attack on, outbreak or escalation of hostilities or act of terrorism involving the United States, any declaration of war by Congress or any other national or international calamity or emergency if, in the judgment of the Underwriters, the effect of any such attack, outbreak, escalation, act, declaration, calamity or emergency makes it impractical or inadvisable to proceed with completion of the public offering or the sale of and payment for the Notes; or (viii) any suspension of trading of any securities of the Company and the Operating Partnership on any exchange or in the over-the-counter market.

(d) Morgan, Lewis & Bockius LLP shall have furnished to the Underwriters its written opinion, as counsel to the Company, addressed to the Underwriters and delivered and dated the Closing Date, in form and substance satisfactory to the Underwriters and their counsel substantially in the form attached hereto as Exhibit A-1.

(e) Saul Ewing Arnstein & Lehr LLP shall have furnished to the Underwriters its written opinion, as special Maryland law counsel to the Company, addressed to the Underwriters and delivered and dated the Closing Date, in form and substance satisfactory to the Underwriters and their counsel substantially in the form attached hereto as Exhibit A-2.

(f) The Underwriters shall have received on the Closing Date an opinion, dated the Closing Date, of Clifford Chance US LLP, counsel for the Underwriters, as to the matters referred to in opinions 5, 6 and 8 of Exhibit A-1 and matters referred to in opinions 1 (with respect to good standing only) and 5 (with respect to this Agreement only) of Exhibit A-2 and in addition, Clifford Chance US LLP shall make statements similar to those contained in the second and third paragraphs following opinion 16 of Exhibit A-1 hereto (with respect to Federal, New York, Delaware and Maryland laws only) and shall be entitled to rely on those persons described in the third paragraph following opinion 16 of Exhibit A-1 and the first paragraph following opinion 8 of Exhibit A-2 described therein.

(g) The Underwriters shall have received, on each of the date hereof and the Closing Date, a letter dated the date hereof or the Closing Date, as the case may be, in form and substance satisfactory to the Underwriters (and their counsel), from PricewaterhouseCoopers LLP, independent public accountants, confirming that they are independent public accountants with respect to the Company and the Subsidiaries within the meaning of the Securities Act and the applicable published rules and regulations thereunder and with respect to the financial and other statistical and numerical information contained in the Registration Statement and containing the information and statements of the type ordinarily included in accountants' "comfort letters" to the Underwriters with respect to the financial statements and certain financial information contained in the Registration Statement and the Prospectus.

At the Closing Date, PricewaterhouseCoopers LLP shall have furnished to the Underwriters a letter, dated the date of its delivery, which shall confirm, on the basis of a review in accordance with the procedures set forth in the letter from it, that nothing has come to its attention during the period from the date of the letter referred to in the prior sentence to a date (specified in the letter) not more than five days prior to the Closing Date which would require any change in its letter dated the date hereof if it were required to be dated and delivered at the Closing Date as the case may be.

References to the Registration Statement and the Prospectus in this paragraph (g) with respect to either letter referred to above shall include any amendment or supplement thereto at the date of such letter.

(h) The Company and the Subsidiaries shall not have failed on or prior to the Closing Date to perform or comply with any of the agreements herein contained and required to be performed or complied with by the Company on or prior to the Closing Date.

(i) The Underwriters shall have received a certificate, dated the Closing Date, of Stephen E. Budorick and Anthony Mifsud, solely in their respective capacities as Chief Executive Officer and Chief Financial Officer of the Company, to the effect that:

(i) All the representations and warranties of the Company in this Agreement shall be true and correct, on the Closing Date with the same force and effect as if made on and as of the Closing Date. The Company has complied with all agreements and all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date.

(ii) The Registration Statement has become effective under the Securities Act; the Preliminary Prospectus, the Prospectus and any Issuer Free Writing Prospectus shall have been filed with the Commission pursuant to Rule 424(b) (in the case of the Issuer Free Writing Prospectus, to the extent required under Rule 433) within the applicable time period prescribed for such filing by such Rule and prior to the time the Prospectus was distributed to the Underwriters; no stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto and no order directed at any document incorporated by reference in the Registration Statement or the Preliminary Prospectus, the Prospectus or the Time of Sale Information or any amendment or supplement thereto has been issued, and no proceedings for that purpose have been instituted or are pending before, or threatened or, to the best of the Company's knowledge, after due inquiry, are contemplated by the Commission; no stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto and no order directed at any document incorporated by reference in the Registration Statement, the Preliminary Prospectus, the Prospectus or the Time of Sale Information or any amendment or supplement thereto has been issued, and no proceedings for that purpose have been instituted or are pending before, or threatened or, to the best of the Company's knowledge, after due inquiry, are contemplated by the state securities authority of any jurisdiction; and

(iii) Subsequent to the respective dates as of which information is given in the Registration Statement, the Preliminary Prospectus, the Prospectus and the Time of Sale Information, other than as set forth in or contemplated by the Registration Statement, the Prospectus and the Time of Sale Information (exclusive of any amendments or supplements thereto subsequent to the date of this Agreement) and prior to the Closing Date, except for changes of a general nature applicable to all real estate investment trusts investing in commercial office properties, (i) there has not occurred any material adverse change or, to the best knowledge of such persons, any development involving a prospective material adverse change in the condition, financial or otherwise, or the results of operations, business, prospects, management or operations of the Company and the Subsidiaries, taken as a whole, (ii) there has been no casualty loss or condemnation or other adverse event with respect to any of the properties which would be material to the Company and the Subsidiaries, taken as a whole, (iii) there has not been any material adverse change or any development involving a prospective material adverse change in the capitalization, long-term or short-term debt or in the shares of beneficial interest or equity of the Company or any of the Subsidiaries, (iv) except as described in the Preliminary Prospectus, the Prospectus or the Time of Sale Information, neither the Company nor any of the Subsidiaries has incurred any material liability or obligation, direct or contingent, which would be material, nor have they entered into any transactions, other than pursuant to this Agreement and the transactions referred to herein or as contemplated in the Preliminary Prospectus, the Prospectus and the Time of Sale Information, which would be material, to the Company and its Subsidiaries taken as a whole, and (v) except for regular quarterly distributions on the Notes and other securities issued by the Company, the Company has not paid or declared and will not pay or declare any dividends or other distributions of any kind on any class of its shares of beneficial interest except in the ordinary course of business consistent with such practice.

(j) On or before the Closing Date, the Underwriters and counsel for the Underwriters shall have received such further certificates, letters, documents, opinions or other information as they may have reasonably requested from the Company and the Operating Partnership for the purpose of enabling them to pass upon the issuance and sale of the Notes, as herein contemplated and related proceedings, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company and the Operating Partnership in connection with the issuance and sale of the Notes as herein contemplated shall be reasonably satisfactory in form and substance to the Underwriters and counsel for the Underwriters.

7. **Indemnification and Contribution.**

(a) The Company and the Operating Partnership will jointly and severally indemnify and hold harmless each Underwriter, its partners, directors and officers and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any losses, claims, damages or liabilities, joint or several, to which the Underwriters may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus, any preliminary prospectus supplement, the Preliminary Prospectus, the Registration Statement, the Prospectus, any Issuer Free Writing Prospectus (as amended or supplemented) or any other prospectus relating to the Notes, or any amendment or supplement thereto (including the information deemed to be a part of the Registration Statement pursuant to Rule 434 under the Securities Act, if applicable), or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse the Underwriters for any legal or other expenses reasonably incurred by the Underwriters in connection with investigating or defending any such action or claim as such expenses are incurred; **provided, however, that** neither the Company nor the Operating Partnership shall be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any preliminary prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus as amended or supplemented or any other prospectus relating to the Notes or any such amendment or supplement in reliance upon and in conformity with written information furnished to the Company or the Operating Partnership by the Underwriters for use therein, it being understood and agreed that the only such information furnished by the Underwriters consists of the information described as such in subsection (b) below by the Underwriters expressly for use in the Preliminary Prospectus, the Prospectus or the Time of Sale Information, as amended or supplemented relating to such Notes.

(b) Each Underwriter, severally and not jointly, will indemnify and hold harmless the Company and the Operating Partnership, its trustees and officers and each person, if any who controls the Company or the Operating Partnership within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any losses, claims, damages or liabilities to which the Company or the Operating Partnership may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus, any preliminary prospectus supplement, the Preliminary Prospectus, the Registration Statement, the Prospectus, any Issuer Free Writing Prospectus (as amended or supplemented) or any other prospectus relating to the Notes, or any amendment or supplement thereto (including the information deemed to be a part of the Registration Statement pursuant to Rule 434 under the Securities Act, if applicable), or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in any preliminary prospectus, any preliminary prospectus supplement, the Preliminary Prospectus, the Registration Statement, the Prospectus, any Issuer Free Writing Prospectus (as amended or supplemented) or any other prospectus relating to the Notes or any such amendment or supplement in reliance upon and in conformity with written information furnished to the Company or the Operating Partnership by the Underwriters expressly for use therein; and will reimburse the Company and the Operating Partnership for any legal or other expenses reasonably incurred by the Company or the Operating Partnership in connection with investigating or defending any such action or claim as to which the Company or the Operating Partnership shall be entitled to indemnification under this subsection (b) as such expenses are incurred, it being understood and agreed that the only such information furnished by the Underwriters consists of the following information in the Preliminary Prospectus, the Prospectus or the Time of Sale Information furnished by the Underwriters: the information in the second sentence of the fourth paragraph and the information in the seventh, eighth, ninth and the eleventh paragraphs under the caption "Underwriting (Conflicts of Interest)."

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under subsection (a) or (b) above, except to the extent such omission so to notify the indemnifying party materially prejudices the indemnifying party. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel (unless separate counsel is required due to conflict of interest) or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromises or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 7 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company or the Operating Partnership on the one hand and the Underwriters on the other from the offering of the Notes to which such loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company or the Operating Partnership on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company or the Operating Partnership on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from such offering (before deducting expenses) received by the Company or the Operating Partnership bear to the total underwriting discounts and commissions from such offering received by the Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Operating Partnership on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company, the Operating Partnership and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by *pro rata* allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), the Underwriters shall not be required to contribute any amount in excess of the amount by which the total price at which the Notes underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which the Underwriters have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(e) The obligations of the Company and the Operating Partnership under this Section 7 shall be in addition to any liability which the Company and the Operating Partnership may otherwise have and, with respect to each Underwriter, shall extend, upon the same terms and conditions, to each person, if any, who controls such Underwriter within the meaning of the Securities Act; and the obligations of the Underwriters under this Section 7 shall be in addition to any liability which the Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer of the Company who signed the Registration Statement, trustee of the Company and to each person, if any, who controls the Company and the Operating Partnership within the meaning of the Securities Act.

8. **Defaulting Underwriters.** If any one or more of the Underwriters shall fail or refuse to purchase Notes that it or they have agreed to purchase hereunder, and the aggregate principal amount of Notes that such defaulting Underwriter or Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate principal amount of Notes, each non-defaulting Underwriter shall be obligated, severally, in the proportion in which the principal amount of Notes set forth opposite its name in Schedule I hereto bears to the aggregate principal amount of Notes set forth opposite the names of all non-defaulting Underwriters or in such other proportion as you may specify in the Agreement Among Underwriters, to purchase the Notes that such defaulting Underwriter or Underwriters agreed, but failed or refused to purchase. If any Underwriter or Underwriters shall fail or refuse to purchase Notes and the aggregate principal amount of Notes with respect to which such default occurs is more than one-tenth of the aggregate principal amount of Notes and arrangements satisfactory to you and the Company for the purchase of such Notes are not made within 48 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Company. In any such case that does not result in termination of this Agreement, either you or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement, the Prospectus and any Free Writing Prospectus or any other documents or arrangements may be effected. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any such default of any such Underwriter under this Agreement.

Holders must validly tender (and not validly withdraw) or deliver a properly completed and duly executed Notice of Guaranteed Delivery for their Notes at or before the Expiration Time (as defined below) in order to be eligible to receive the Tender Offer Consideration (as defined below). In addition, holders whose Notes are purchased in the Offer will receive accrued and unpaid interest from the last interest payment date to, but not including, the Settlement Date (as defined in the Offer to Purchase) for the Notes. The Issuer expects the Settlement Date to occur on September 17, 2020. Notes tendered by Notice of Guaranteed Delivery and accepted for purchase will be purchased on the third business day after the Expiration Time, but payment of accrued interest on such Notes will only be made to, but not including, the Settlement Date.

The Offer will expire today at 5:00 p.m., New York City time, unless extended or earlier terminated as described in the Offer Documents (such time and date, as it may be extended, the "Expiration Time"). Holders must validly tender their Notes, by following the procedures described in the Offer to Purchase, at or prior to the Expiration Time and not validly withdraw their Notes to be eligible to receive the Tender Offer Consideration and accrued and unpaid interest, if any, as described above and in the Offer Documents.

The Issuer's obligation to accept for purchase and to pay for Notes validly tendered and not validly withdrawn pursuant to the Offer is subject to the satisfaction or waiver, in the Issuer's discretion, of certain conditions, which are more fully described in the Offer Documents. The complete terms and conditions of the Offer are set forth in the Offer Documents. Holders of the Notes are urged to read the Offer Documents carefully.

The "Tender Offer Consideration" listed in the table above for each \$1,000 principal amount of Notes validly tendered and not validly withdrawn and accepted for purchase pursuant to the Offer was determined in the manner described in the Offer Documents by reference to the fixed spread for the Notes plus the yield based on the bid-side price of the U.S. Treasury Reference Security at 2:00 p.m., New York City time, on September 16, 2020.
